

# Fordbank Committees Showcase

2024-25

# The Committees we had running for P1 -7 pupils include:

Eco  
Rights  
Pupil Council  
Digital  
Junior Road Safety  
Communities  
Sports  
Charities

Outdoor  
RNRA  
Literacy  
Languages  
Numeracy  
Expressive Arts

## Rationale

We encourage all pupils to participate in our school committees. Each Committee offers pupils the opportunity to take on leadership roles, shape school improvement and contribute to our school community. The pupils are a mix of classes from Primary 1 to 7 and come together once a month. Taking part in the committees allows children the opportunity to develop as successful learners, responsible citizens, confident individuals and effective contributors.

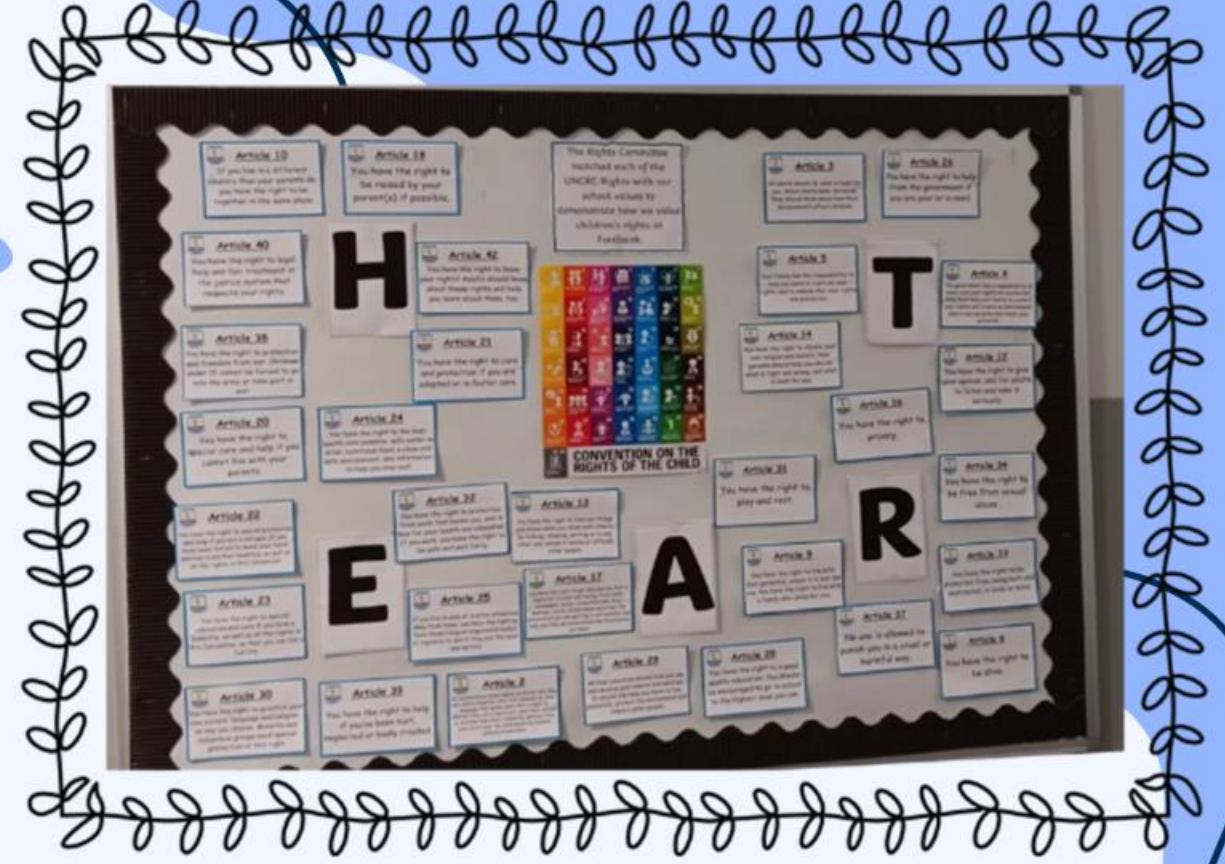

**Article 29:** *I have the right to an education which develops my personality, respect for others' rights and the environment.*

# Rights Committee

We achieved the Bronze Rights Respecting School Award making Fordbank a Rights Committed school

We introduced the ABCDE of Rights to the whole school at assembly

We linked all 42 of the UNCRC Articles to our school values in our Rights display

# SPORTS COMMITTEE

Have been working very hard this year and have planned the first ever...

## FORDBANK PRIMARY SCHOOL OLYMPICS

**TUESDAY 10TH JUNE 2025**

# RNRA

We looked at the nurture principles and decided our focus:

## **The Importance of Nurture for the Development of Wellbeing**

We learned that spreading kindness makes others happy and also makes us feel good in mind and body.

We decided to spread kindness in our school and wider community by colouring compliment notes and delivering them with a small chocolate.

We looked at the nurture principles and decided our focus:

## **Our School is a Safe Place**

We wanted to focus on making our playground safer by providing more engaging activities. We worked with the Expressive Arts committee to audit our playground equipment and made a video to ask for donations to our playground.

# Pupil Council 24-25

# Expressive Arts Committee

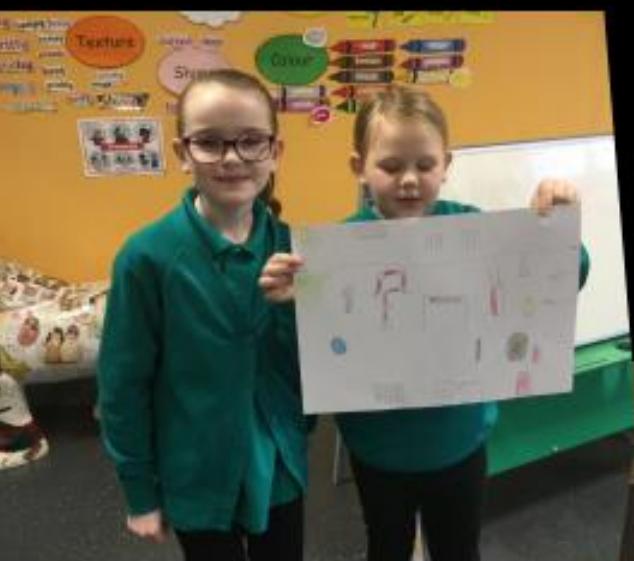

- Our aim was to improve Expressive Art opportunities for everyone.
- We recognised there was not much for children to do during their own time during breaks/lunch.
- Brainstormed ideas and planned what our ideal playground would look like.
- Shared our ideas with Ms Wadsworth.

Achieved:

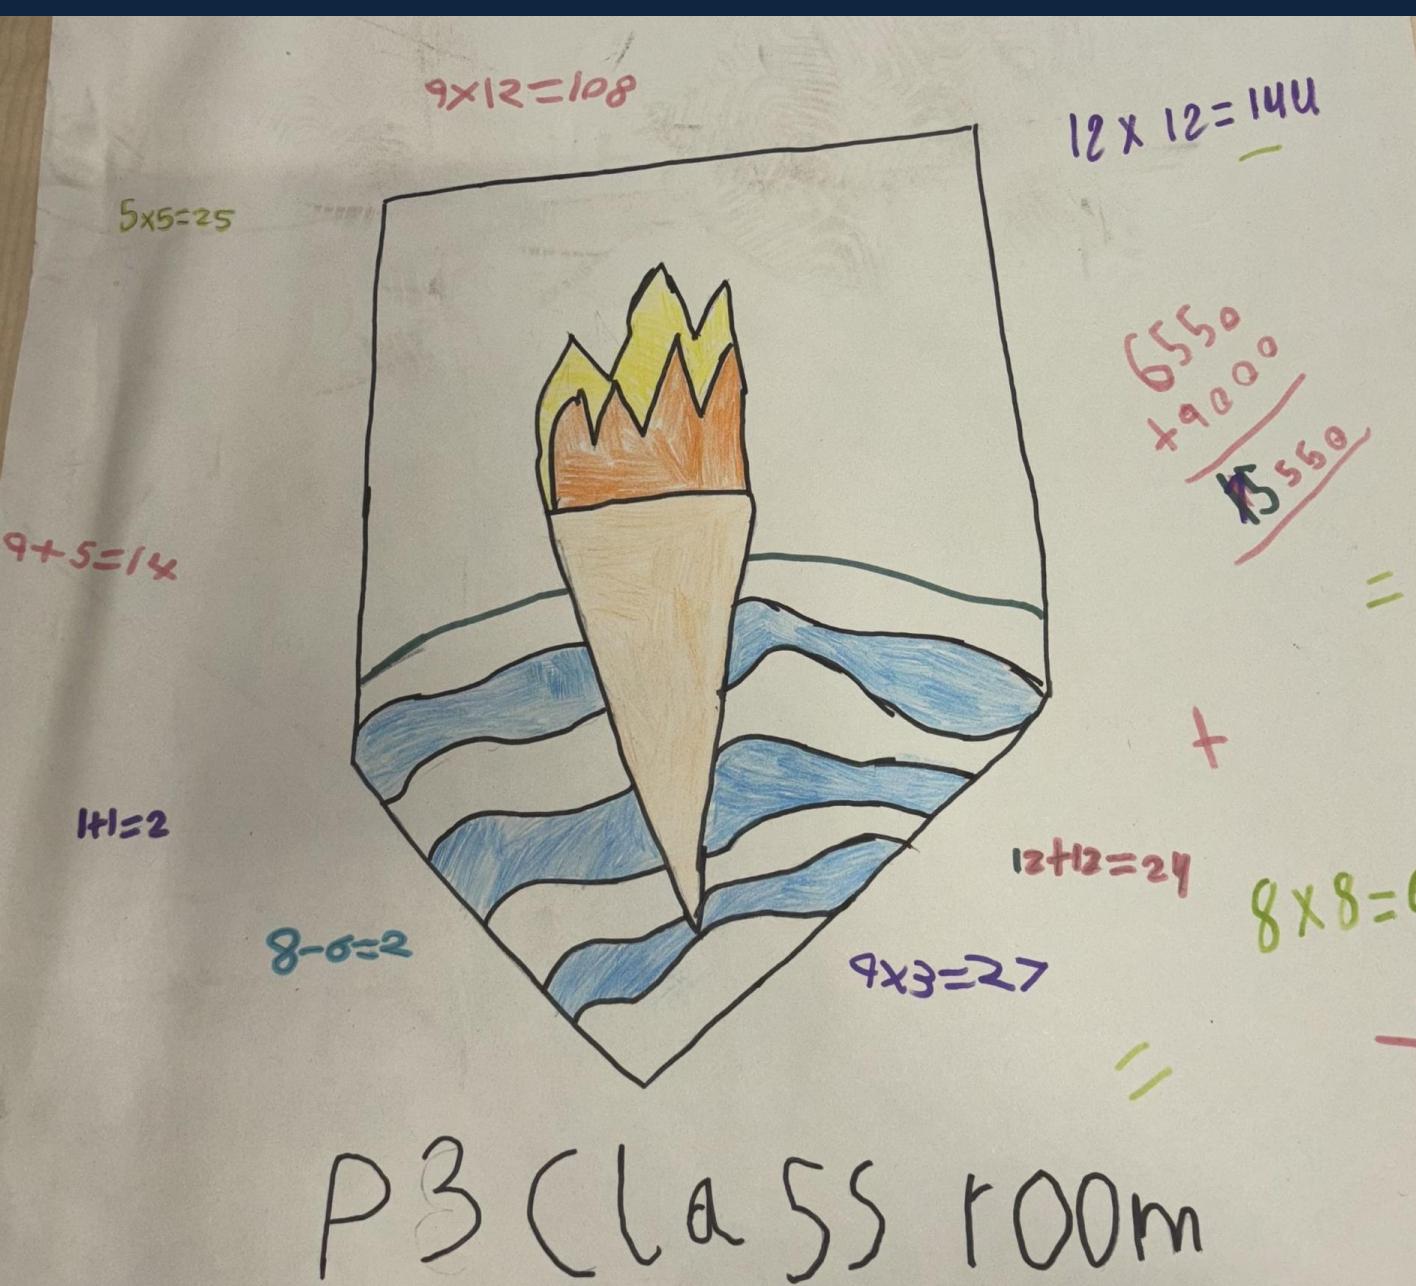

- New playground paint designs
- New woodland area
- Playground stage

Our sales video sent to local businesses.

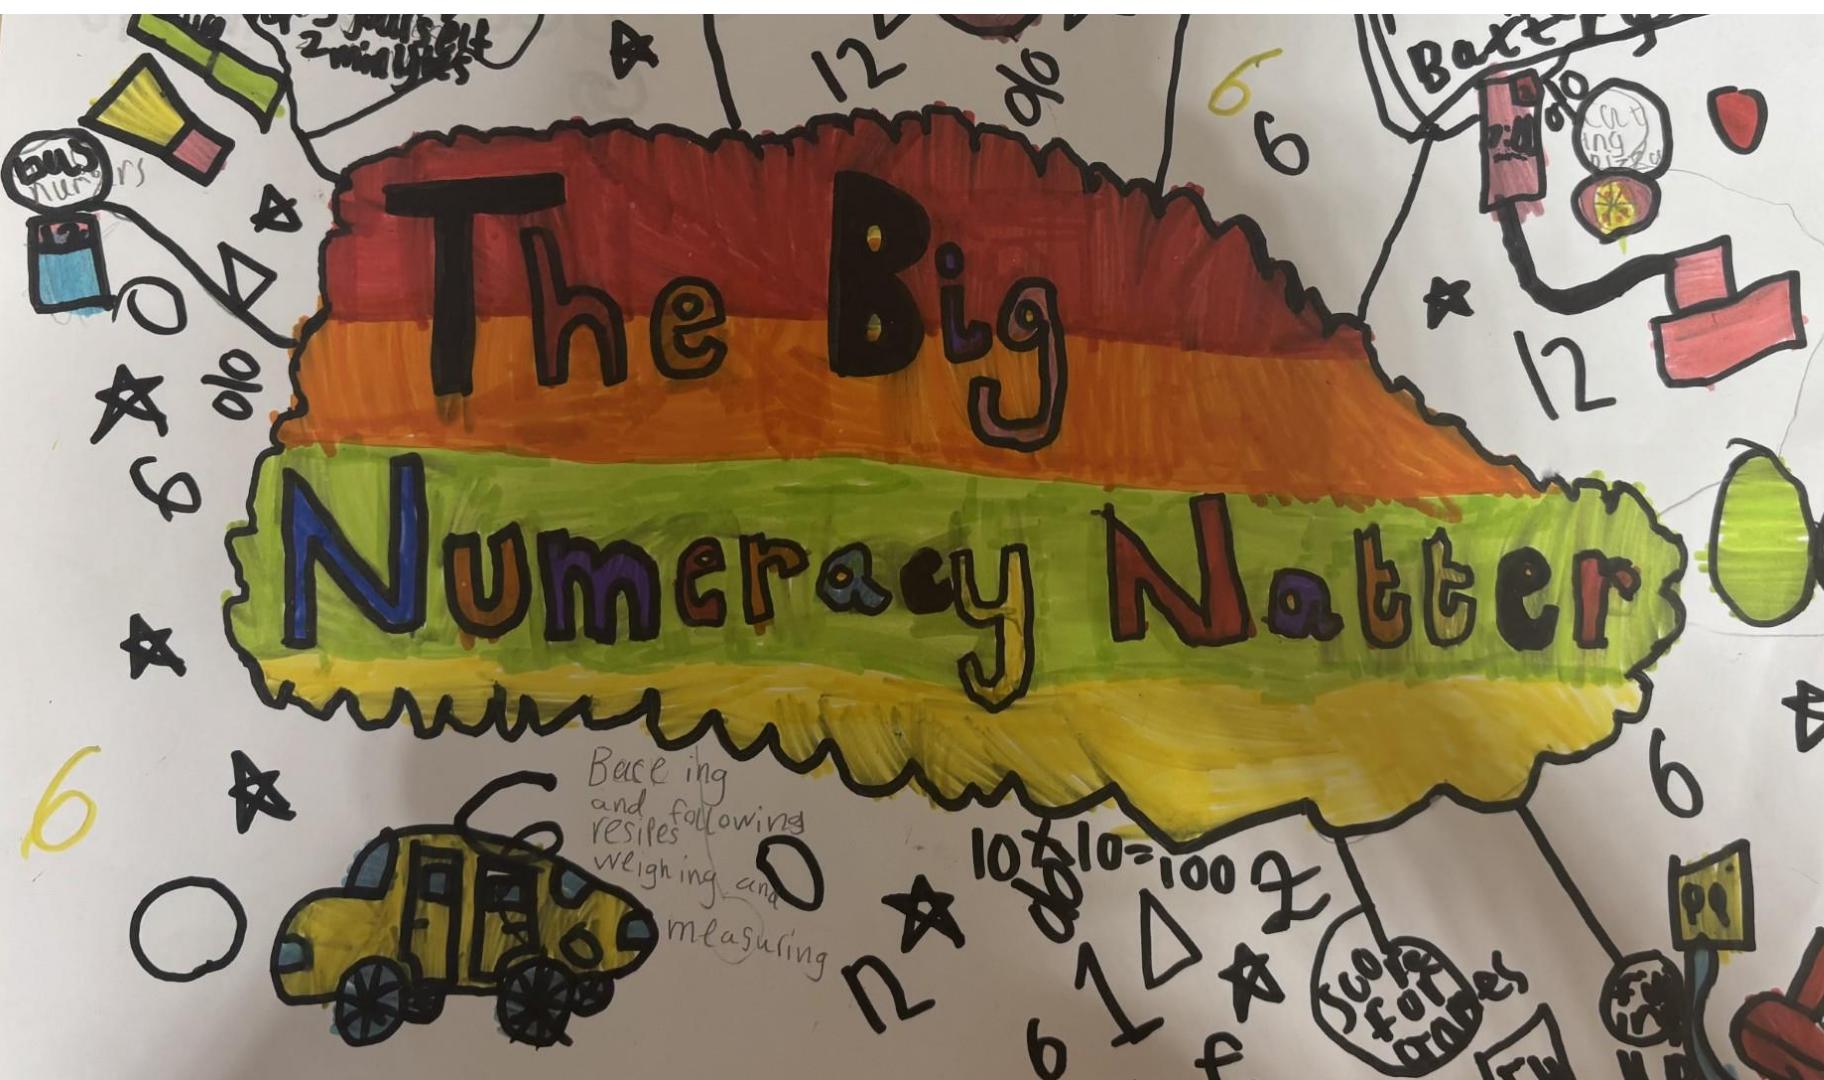

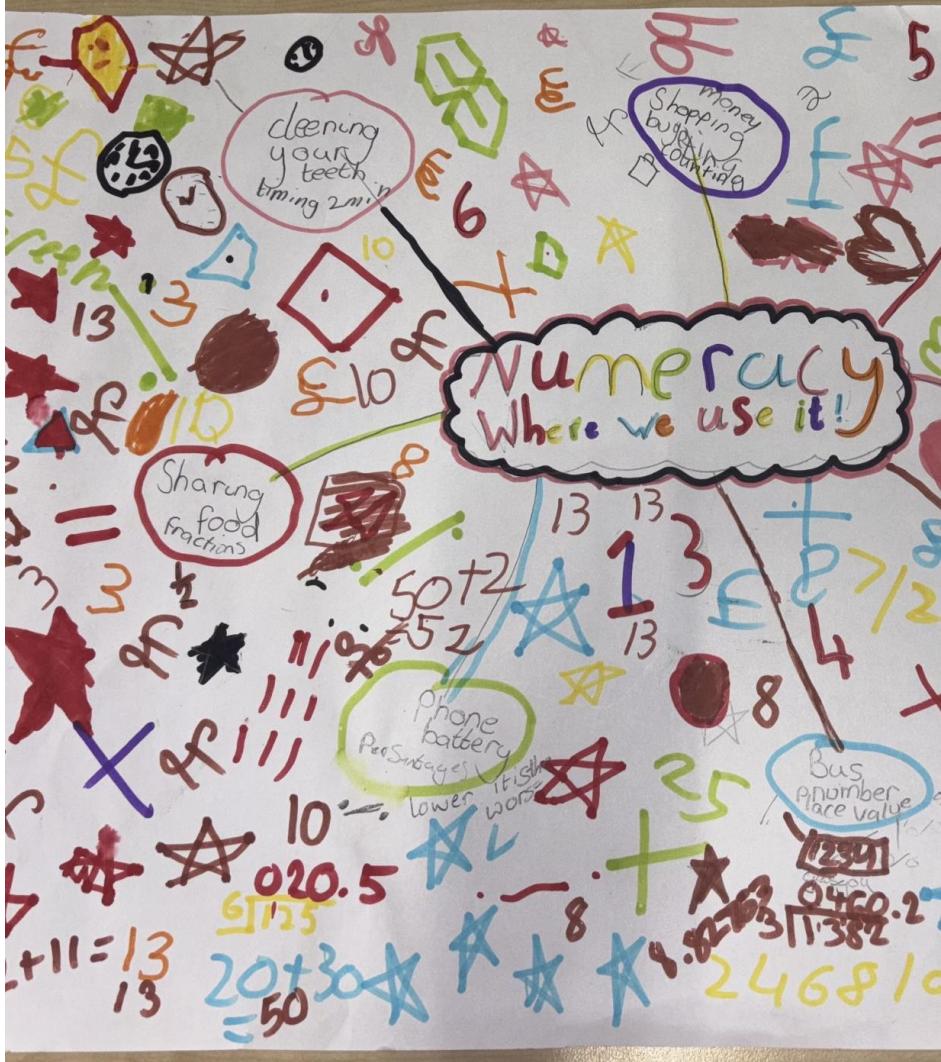

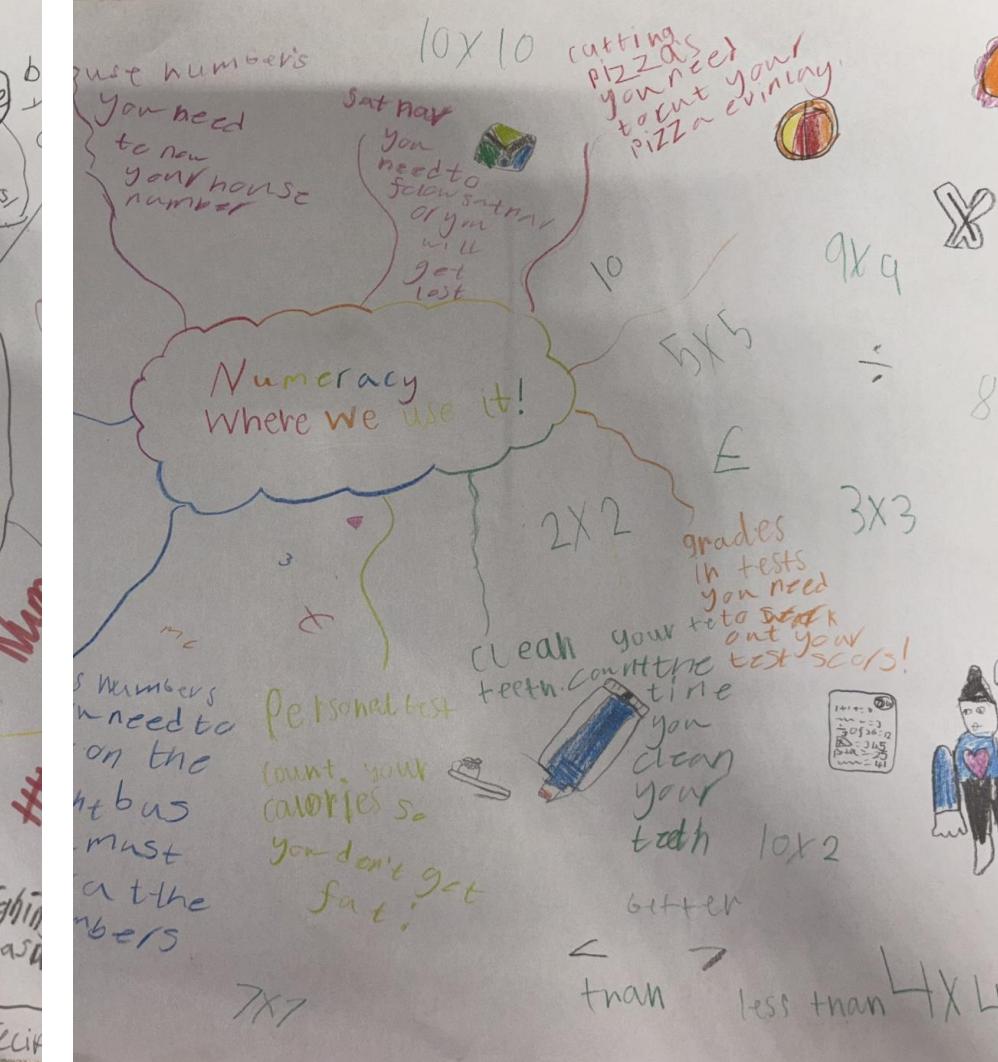

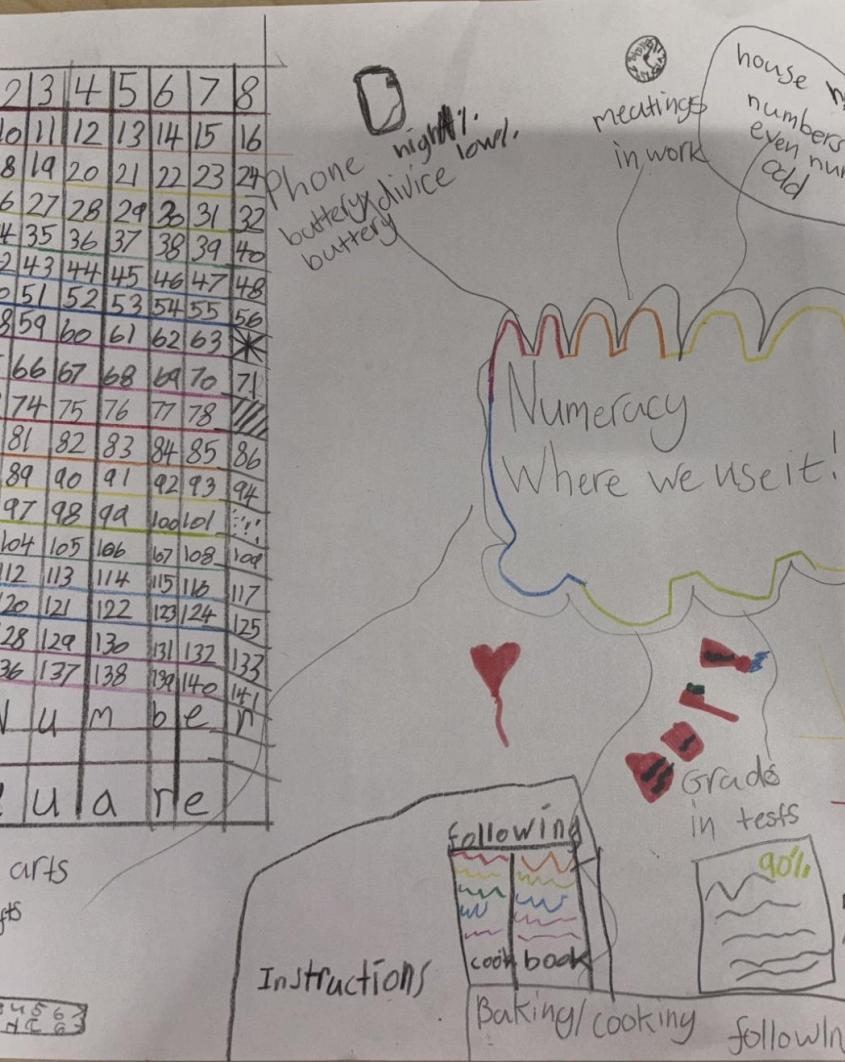

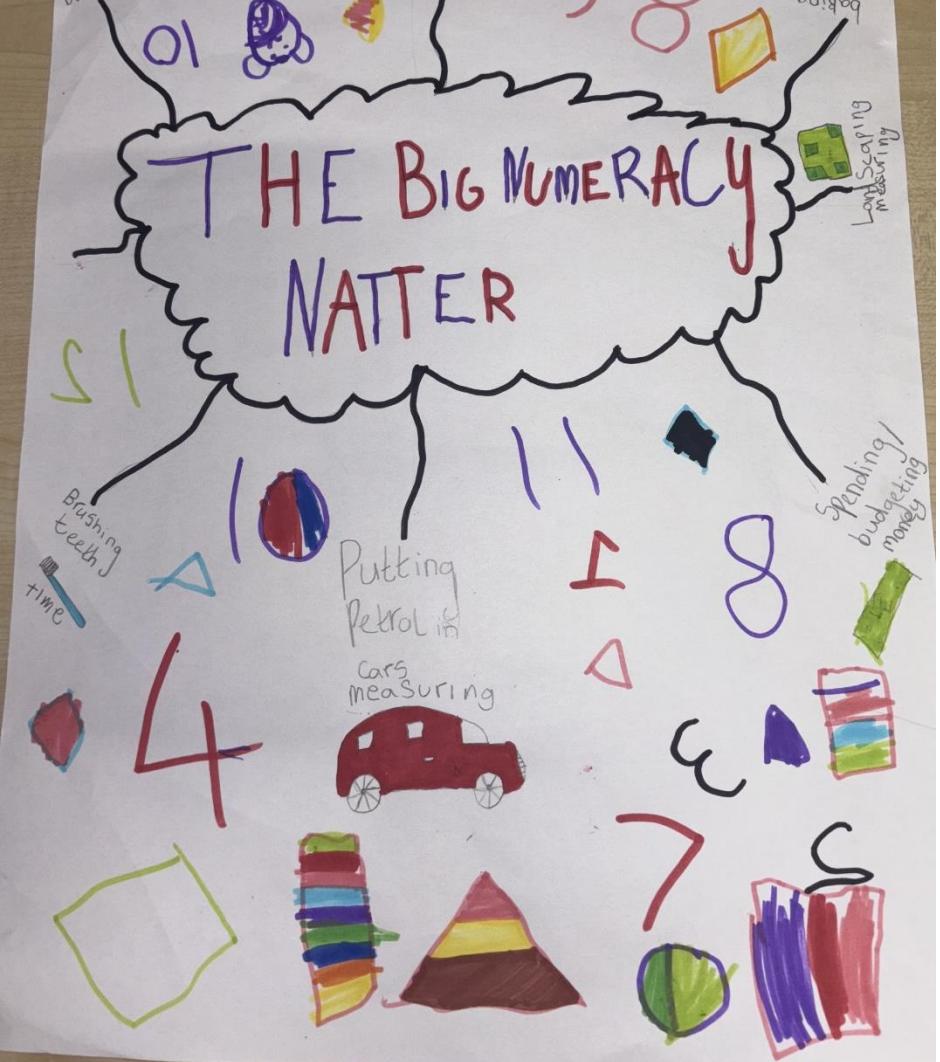

# Numeracy Committee

## What have we been up to?

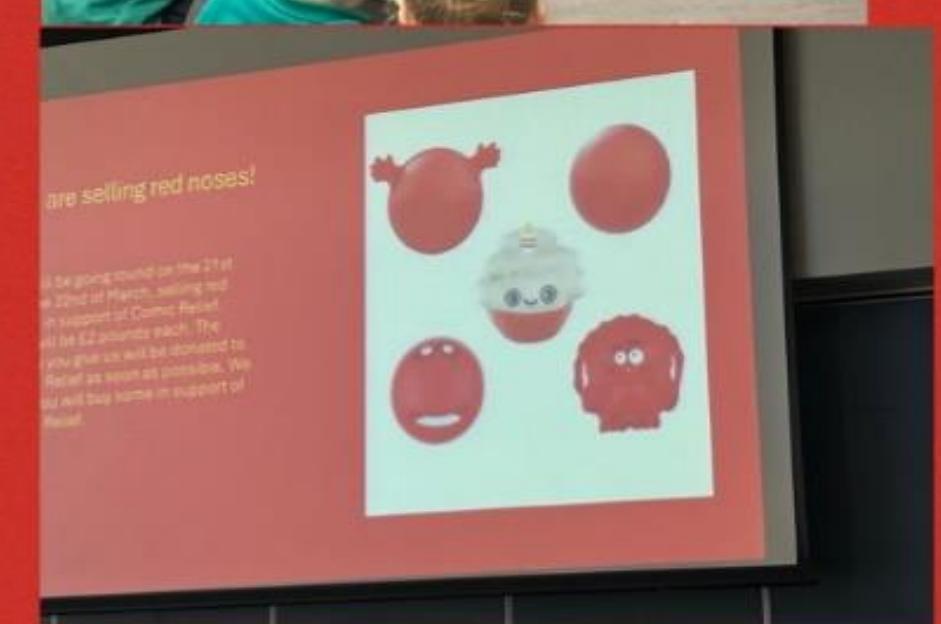

- Assessing what our class Numeracy Working Walls have and what we would like to see on them.
- Designing Maths Board Games that can be played to support our learning.
- We also participated in the Big Number Natter.

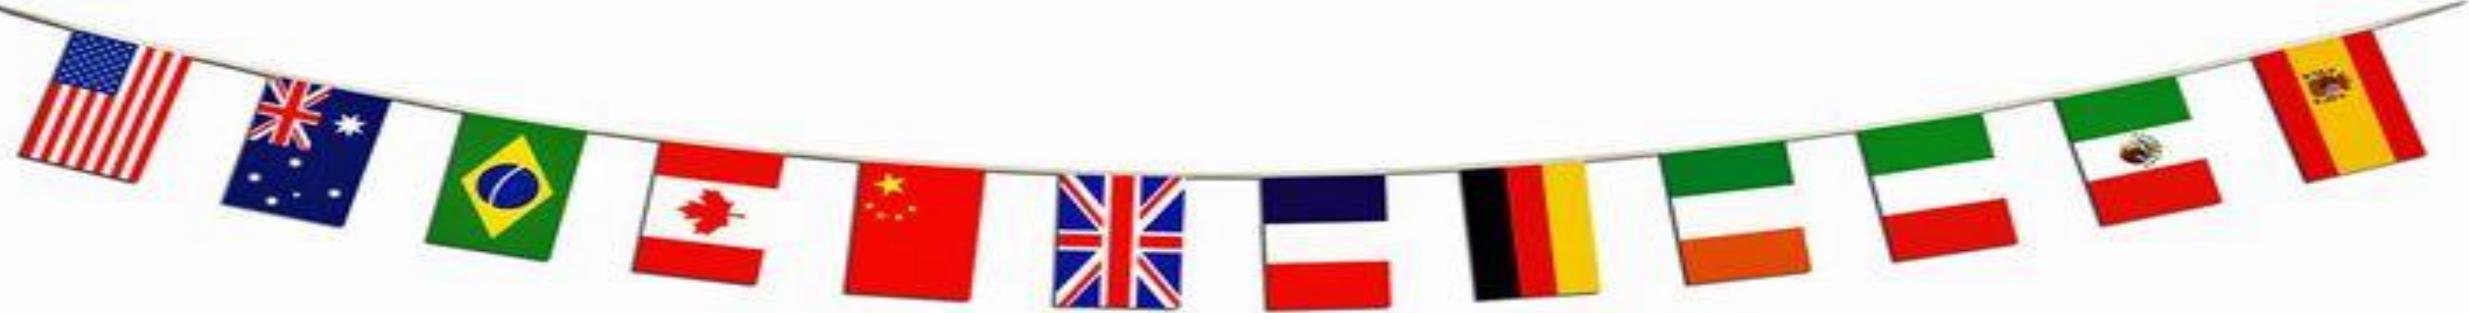

# Numeracy Committee

The children wanted to lower anxieties that people have about maths. We discovered that talking about it makes it less scary and that we use maths in our day to day lives more often than we think, often without realising! We listed all the ways that we use numbers and what maths skills we are using.

# The Charity Committee

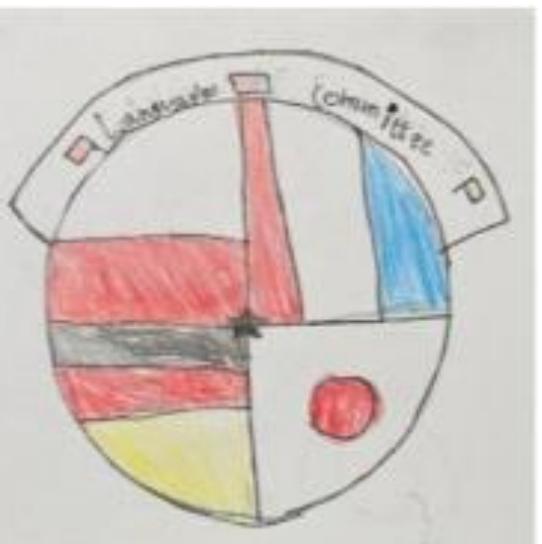

The Charity Committee sold red noses in an activity to raise money for Comic Relief. We were successful in our attempts, and we raised £300. We also held a design a red nose competition. All of the entries were incredible and it was really hard to choose a winner.

## Languages Committee

- We learned some phrases in different languages.
- We have learned about food from around the world and organised a Languages Café. We sold food that originates from other countries.
- It was a great success, and we raised money for Beatson Cancer Charity

# Outdoor Committee

## Increasing Biodiversity in Our School Grounds

---

 Planted a Pollinator-Friendly Raised Bed  
Built and filled with nectar-rich plants to attract bees and butterflies.

 Grew Our Own Vegetables  
Encouraged sustainable gardening and healthy eating.

 Built a Bug Hotel  
Provided shelter for beneficial insects to thrive.

 Made Homemade Bird Food  
Supported local bird populations throughout the seasons

Find a Book

# Communities Committee

## Our Journey

We went a walk round our local area.

We noticed that there was a lot of dog poo around our school gates and decided to start a campaign to reduce the amount of dog poo in area.

We also noticed that the bins were overflowing.

The path behind the school needed more bins to encourage people to pick up their dog poo.

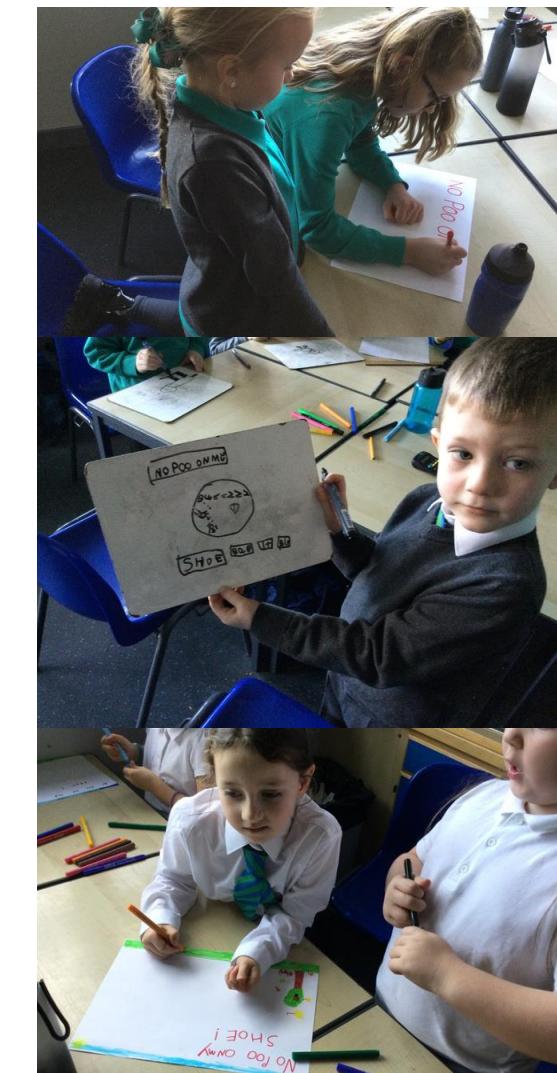

We had Lacey's papa in who has connection with the council and he helped us get a new bin so nobody has a excuse to not put there poo in the bin.

As a group we looked at where would be best to place a new bin.

We created posters to help with our campaign.

Our new bin has arrived and our poster is going on the bin to encourage people to pick up their dog poo. We are also getting a banner made for the school gates.

## PLANTING SEEDS

## PAPER RECYCLING

## BIG SPRING CLEAN

# Digital Committee

We have been busy. We updated the school website, created 5 tips to stay safe online, coding using micro bits, created posters, Online Safety assembly, made Lego animations and coded using Scratch.
