Welcome back everyone,
I can't believe that we are in our final term already. Our Primary 7 pupils are looking forward to all of the fun events and transitions planned for this term. We look forward to showcasing our children's talents at the school concert. Hope you can join us
Best wishes,
Cara Wadsworth, Head Teacher

Learning Estate

Following the information given out by Renfrewshire Council with proposed changes to the learning estate there will be a drop in at the school on 25th May and also a drop in at Johnstone High on 23^d June. Can I please encourage all parents and carers to take part and have their voices heard.

Anti Racist Collective

A group of our senior pupils have formed a collective to tackle racism in our school. We have been celebrating diversity by finding out about food in different cultures represented in our school. We have created an anti-racist cookbook which will soon be on sale at school.

Good weather

A reminder to make sure your child/ren are prepared for being outdoors now that it has stoppen raining. Please ensure they have suncream on and a hat if needed.
