

FLR AUGUST NEWSLETTER

A very warm welcome to our first Flexible Learning Base newsletter! We are delighted to say it has been a great start to the new school year and we look forward to working together to support your child throughout :). This term, our pupils will continue to work towards their individual literacy and numeracy targets, while developing their skills, confidence and independence across a range of learning experiences. We will also continue to support pupils' social and emotional wellbeing through our Emotion Works programme, helping them to develop their understanding of emotions, recognise how they feel and explore strategies to support their wellbeing. Alongside our core learning, pupils will have opportunities to take part in outdoor learning and a variety of exciting masterclasses, including BSL, movie making and STEM. These experiences will allow pupils to explore new interests, develop practical skills and build confidence. We are looking forward to a term full of learning, exploring and achieving together! ☀️

A FEW THINGS TO NOTE

Uniform: Pupils are expected to wear their mainstream school uniform.

Toys: To help maintain a focused learning environment, please ensure that personal toys are left at home and are not brought to FLR.

Water bottles: For safety reasons, we kindly ask that children bring a reusable plastic water bottle to school.
