

Primary 2b Newsletter

November 2019

P2b P.E. day is Thursday.

Ready, Respect, Safe

Primary 2b have been working very hard. Most parents have now connected to Seesaw. This allows them to look at the work going on in the class. If you have not yet connected and need an invitation, please let me know. I also send announcements out this way.

Primary 2b have PE on **Thursday**. Children need **sandshoes** for the gym hall which can be kept in school. Also, for safety reasons children should not wear jewellery on these days.

Children are encouraged to bring their own snack for play time and we ask that these are healthy, avoiding chocolate and sweets.

As well as using Dojo Points, we are also using house points. All the children are in one of four houses. **Byrne**, **Tannahill**, **Coats** and **Rafferty**. The winning house of the term gets a reward.

If you have any questions please feel free to speak to me. *Jamie Smith*

Monster Topic

This term, the children have chosen to do a monster topic. This will involve lots of reading, writing, talking and listening. The children have already started to create and write about their own monsters! Later in the term we will be participating in all the usual Christmas activities. Ho! Ho! Ho!

Maths

In Maths we will be working on:

- odd and even numbers
- money
- length
- number work

PATHS

We continue our work in PATHS. The children love being Pupil of the Day and getting compliments from the class. It is always great when you add a comment as the children like sharing this with the class and are rewarded with a Dojo Point. We add these to the class Compliments folder and the children will get to take these home at the end of Primary 2.

Homework

It has been great to see so much active homework being done. We have had rainbow writing, Autumn collections, Maths challenges and photos of the homework being collected. Don't forget that when children share their homework, they are rewarded with a Dojo Point.
