

Glencoats Primary School Acceptable Use of Digital Technology

Dear Parent/Carer,

As we begin another period of remote learning, please find attached Renfrewshire Council's Acceptable Use Chromebook Policy. This would also apply to any other device that children are using for home learning such as PCs, tablets and phones. You do not need to return the parent section at this time.

Please support us by ensuring that you monitor your child's use of technology. This should include monitoring work/photos sent to staff and checking that any websites or games used by the children are age appropriate and safe.

We are working hard to ensure that all families are provided with devices to enable everyone to take part in online learning. Please let us know if we can help.

Many thanks,
Carol McCormick
Acting Head Teacher
