Dear Staff, Pupils and Parents.

### **Eco-Schools Scotland – Eco-Schools Green Flag Award status**

I am delighted to confirm that your school has successfully renewed Eco-Schools Green Flag Award status. This is an outstanding achievement, so please pass on our congratulations to everyone involved.

### **Interim Assessment Report**

**Congratulations on renewing your Green Flag status! I remember visiting Heriot Primary & Nursery School in 2014 and I'm pleased to see a whole school enthusiasm for taking positive environmental action.**

**I like the way that you are linking Eco-Schools activities to the curriculum such as using litter data in mathematics and anti-litter messages in literacy. I'm pleased to hear that the whole school has worked together to do a big clean up of your school grounds.**

**I'm impressed by the link you have made with your local care home and it's great to hear of pupils taking pride in their work and improving the grounds for the residents. Your Eco Fashion Show sounds like a great way to share your waste minimisation knowledge and aims with your wider community. I'm pleased to hear that kind and helpful parents made a mud kitchen for the nursery using old pallets.**

**Thank you for the link to your website. I'm pleased to see that you have started to upload your minutes to share with the whole school community.**

**Please have a look at the UN's Sustainable Development goals as you decide on your new Eco Action Plans and how these may link with your future Eco work.**

**Keep up the good work and I wish you success in achieving your new Eco Action Plans as you work towards renewing your status.**

### **Next Steps**

Please continue your next Eco-Schools two year renewal as before by choosing new topics and creating new Action Plans, prior to a launch of a refreshed Eco-Schools Scotland process in 2017.
