Absence from Nursery

Please give us a telephone call if your child is unwell and unable to attend - 0300 300 0158.

Please keep us informed if your child or a family member is having to isolate due to covid 19.

Annual Data Forms

An envelope is being sent home today with a paper copy of the emergency contact and health information we hold for your child. Please read this, make any changes, sign and return this copy to the nursery to enable us to update our records. Even if there are no changes it is important that you sign and return the paper copy.

Holidays

The nursery will be closed on Friday 25th and Monday 28th September. The nursery will also be closed from Monday 12th October until Monday 19th October (inclusive) for the October holiday and the In-Service training day (Mon 19th Oct). The nursery reopens on Tuesday 20th October.

Harvest Collection for Renfrewshire Foodbank (Friday 2nd October)

Once again we are supporting Renfrewshire Foodbank on Friday 2nd October. We are asking all the children to bring in an item for the Foodbank. In this way we will celebrate Harvest and promote our value of Compassion. Our donation of tins, packets, baby food is being collected by Renfrewshire Food Bank during the following week.

Nursery Garden

Please let the nursery staff know if you are interested in helping with the garden. Your help would be very much appreciated!

Use of Gym Hall

Due to increasing numbers within the nursery and government restrictions we are going to have to start using the gym hall as an additional play area for the children. The children will spend alternate days in the gym hall where they will get to play with resources they are familiar with and some new ones too! They will also have access to the 'forest' area within the school grounds. The children will still get dropped off and picked up from the nursery at their usual times. We are sure the children will enjoy their time here.

Arriving and Leaving Nursery

It is important that parents use the allocated gate at the nursery and also adhere to the times given for dropping off or picking up your child. We all need to follow the guidance to try and keep everyone safe. Thank you for your support at this difficult time.
