22nd April 2021

Dear Parents and Carers,

Hope you are all well. After our last successful meeting at the beginning of February I proposed that we schedule a follow up meeting to keep everyone up to date with the progress of our transition programme. With this in mind, we would like to take the opportunity to meet with all our Parents and Carers of P7 from our Associated Primary Schools.

The Online Parents' Information Evening will take place on **Wednesday 28th April at 6.30 pm.**

This meeting will hopefully clarify a number of points and allow you to help your son/daughter make a happy, confident transfer from Primary to Secondary school.

In Gleniffer High School the staff will do everything in their power to ensure that every pupil is secure and happy and is given every opportunity and encouragement to develop to their full potential.

This meeting will be delivered through Microsoft Teams. To join the meeting, you need to **'Click here to join the meeting'** link in the main body of the e-mail.

We would advise that you download the Microsoft Teams app to your desktop/tablet/mobile device as this provides you with greater functionality. However, you can access the meeting through Teams on your browser if you are unable to download the app. **It is advisable to open Microsoft Teams before clicking on the link that provides access to the meeting.**

If you do not already have a Microsoft Teams account, you can create one for free. Alternatively, ask your son/daughter to access the meeting via their school GLOW account and you can participate as a family.

I hope you will find this helpful and will be able to attend.

Yours sincerely,

Mrs Aileen Sangster
