

Name of Committee	P5 Eco Committee
Date of Meeting	Tuesday 26 <sup>th</sup> August 2025
What have you achieved? What difference has this made?	<p>Last year our committee challenged some of the classes</p> <ul style="list-style-type: none"> <li>• To build a bird feeder</li> <li>• Planting seeds in the school grounds</li> </ul> <p>Unfortunately, the bird feeders haven't been maintained, and some have fallen and were broken.</p> <p>We got to watch our flowers grow and bloom last year. Some have remained around our school.</p>
Action Plan	<ul style="list-style-type: none"> <li>• We will have a walk around the school grounds and assess our different play areas and discuss how we can make them tidier and safer for us all to play in.</li> </ul> <p><b>Update on plan (28<sup>th</sup> January 2026)</b></p> <ul style="list-style-type: none"> <li>○ <b>Completed a school walk round early term 1.</b></li> <li>○ <b>We identified that the flower tubs and front of the school needed a big tidy.</b></li> <li>○ <b>We cleared the pots at the front of the school of weeds and dead plants.</b></li> <li>○ <b>We planted bulbs in tubs and placed them at the front of the school entrance.</b></li> <li>○ <b>We collected all the hanging tubs and cleared out the old plants ready for more planting in the Spring</b></li> </ul>

- We will come up with a plan to make sure the areas are maintained regularly by all of us at school.

**Update on plan (28<sup>th</sup> January 2026)**

- **Once all planting is completed, we will then assign an area to each year group to maintain.**

**Update on plan (28<sup>th</sup> January 2026)**

- We will complete an advertising project to design and create posters showing how we can be more Eco Friendly in the school.
- We will put them up around the school and the school grounds.

Our posters will be about:

- Turning of the taps – save water.
- Turning of the lights, save electricity.
- Recycle paper – saving the trees
- Put your rubbish in the bin – save animals from eating our papers and wrappers.

**Update on plan (28<sup>th</sup> January 2026)**

**We have still to complete the posters and will do so in term 2.**

- **Completed an application to Woodland Trust for free trees for schools. They will notify if we have been successful.**
- **The remainder of the bulbs and seeds will be planted once the weather is more settled and warmer.**

At our next meeting will be in term two to review our jobs still outstanding.
