What have you achieved? What difference has this made?	Last year we introduced a lot of new activities to the school playground such as dolls and prams, ropes, elastic ropes, scooters, bouncy hoppers and ping pong tables for a nice day. The pupil council looked after the new toys and made sure things were put away in the shed.
Action Plan	<u>Here are some ideas that we have for this year</u> Continue to improve things in the playground-big tube slide/remote control toys/big basket swings Think about the competitions we could enter? Grow our own Vegetables and flowers in the new outdoor area. Habe a bug hotel Get a new gym hall floor. We will consult with our class members and report back on the 18th September to Mrs Ormond.
