27.02.19

Dear Parents

The Digital Leaders Committee group are offering an ICT learning clinic for our Primary One and Primary Two pupils over the next few weeks. It will take place every Friday during lunchtime, weather permitting, within the outdoor classroom area.

Pupils can drop in for 10 minutes max. and work one to one with a Digital Leader on using the school iPads. This opportunity can enhance their ICT skills using features such as creating and editing photos, familiarising themselves with available Apps, as well as learning about all the basic functions of the IPAD without the use of WIFI.

Digital leaders will organise a fair booking system for all children who are interested in participating. We will assume that all children will have parent permission to attend if they wish, unless school have been contacted.

Kind regards

**Georgia Hamilton & Callum Arthur
Digital Leaders**

Georgia Callum
