Children's Services

Head Teacher: Mrs Nicola McGlynn

21 June 2019

Dear Parents,

1140 hours – Expansion of Nursery Provision

An extension is planned at Inchinnan Primary School to accommodate Inchinnan Community Nursery to enable them to deliver 1140 hours of early learning and childcare by 2020. Works to convert the existing gym hall into a bespoke early learning and childcare centre are scheduled to commence in January 2020. On completion of the new facility the children from the existing nursery will relocate to the new centre. Further to the completion of the centre, works will be undertaken to extend the school to provide a new gym hall with associated changing facilities.

For the duration of the works to the new gym, which are expected to complete in October 2020, P.E.; assemblies; and extra curricular activities will be conducted in the for a couple of days in the Inchinnan Parish Church hall (pending let arrangements). The school will assess the logistical implications of this arrangement and staff will be allocated to ensure there is no safety risk to children when travelling from the school to the church hall and back. Additionally, Renfrewshire Council is alert to the need to ensure that all children, staff and visitors are safe while construction works are undertaken and disruption management arrangements will be developed with the school and early year's teams. While focussed on the safety of building users, this approach will also ensure that disruption to learning is minimised.

Please be aware that timescales are indicative at this point and may vary depending on circumstances. More information will follow closer to the start date of all works.

Yours faithfully

Mrs Nicola McGlynn
Head Teacher
