On Saturday 15<sup>th</sup> February Inchinnan primary played in the 2<sup>nd</sup> heat of the Glasgow "Dragon" League Chess tournament. The team of Milo Sneddon, Callum Davidson and Connor Perle performed brilliantly and again finished runners-up in their section, just missing out on the winner's trophy once more.

The boys ready for action!

They won 4 of their 5 matches, losing only to the eventual winners. Indeed later on they played the team that beat them in a friendly and actually beat them!

A great day all round, especially for Callum who remained unbeaten throughout the event!
