

Time to register your child for school!

If your child will be 5 between 1 March 2022 and 28 February 2023, you should register them for school now.

Apply by Friday 5 November 2021 using this link: www.renfrewshire.gov.uk/P1-registration

You can only register your child at one local school, either the denominational or the non-denominational school in your catchment area (where you live).

If you, or someone you're helping, can't register online, phone your local primary school and make an appointment to register in person during the registration dates.

If you want your child to go to another school outside of your catchment area, you'll need to:

- register your child at a school in your catchment area first
- apply for a place at a school outside your catchment area (placing request) or phone us at 0300 300 0170.

If you can't register your child for school till after Friday 5 November, please contact your local school directly.
