Parent Council update

- The planned race night has been cancelled due to lack of support.
- To continue with the Parent Council, we need extra volunteers and people to take part.
- Easter prizes to be confirmed.
- Summer BBQ event in May or June. Keen for this to go ahead but it is unlikely we will get the support required. We will issue a request for help.
- Bonus ball continues to be main source of fundraising although we have lots of spare numbers or reduce to one set. We will promote it again.
- School to send a list of resources / items that the PC can buy for the children.

School update

- Results of questionnaire completed by parents at March parents night.
- Parent open event covering variety of areas indicated in questionnaire by parents planned for Wednesday, 24 April, all staff involved.
- School improvement plan, update and priorities for next session
- Health and wellbeing week beginning 13 May.
- Residential trip for P7 class in June.
- School continue to support the Parent Council with any opportunities to reach out to parents regarding becoming involved with the PC.
- Council's green print and aim to go paperless.

Actions

- Ask for volunteers to help through as many channels as possible to get more parents involved in helping.
