

Inchinnan Primary School

School Improvement Plan

2024/25

Planning framework

As part of Children's Services, Inchinnan Primary School has developed this establishment improvement plan which provides a framework for how we intend to achieve Children's Services' vision of *working together to get it right for children, families and communities – Protecting, learning, achieving and nurturing*.

National Priorities

We also have to take account of the Scottish Government's national improvement framework which provides a vision for education in Scotland, namely to:

- 1. place the human rights and needs of every child and young person at the centre of education;**
- 2. improve attainment, particularly in literacy and numeracy;**
- 3. close the attainment gap between the most and least disadvantaged pupils;**
- 4. improve children's health and wellbeing; and**
- 5. improve children and young people's employability skills so that they move into positive and sustained destinations.**

Renfrewshire's Education Priorities

Our priorities will also align with the Renfrewshire Council Plan and Education Improvement Priorities listed on pages 3 and 4.

Pupil Equity Funding

Our school receives Pupil Equity Funding (PEF) to provide targeted interventions in literacy, numeracy and health and wellbeing to close the poverty related attainment gap. This funding enables us to plan additional interventions to those which were already planned. These interventions are highlighted throughout this improvement plan using the (PEF) abbreviation.

The priorities and actions within this improvement plan address the needs of our school and articulate with local and national priorities.

Renfrewshire Council Plan Strategic Outcomes

← Cross cutting theme: Improving outcomes for children and families →

We will encourage kind and connected communities—where our citizens take pride in their **place**, attracting others to move here and share in the opportunities Renfrewshire has to offer.

We will support a strong and flexible local **economy**—with Renfrewshire able to adapt after the pandemic, building up resilience to support good green jobs and skills for all local people to enjoy the benefits of both living and working here.

We want Renfrewshire to be a **fair** place—where all our people have the best chances to live happy, healthy and fulfilled lives, to feel safe, supported and empowered to unlock the strength of our collective potential.

We are working towards a **greener** future—taking responsibility for our impact on the planet and taking brave, bold steps to protect the natural environment that supports and benefits us all.

We want our employees to feel proud to work for Renfrewshire Council because we are a **values** driven organisation, where we all understand and value our contributions, and we are passionate about making a difference for Renfrewshire.

Renfrewshire Council's Values

We are **fair**, we treat each other and everyone we deal with respectfully and work hard to build trust in Renfrewshire Council.

We are **helpful**, we care about getting things right and are always approachable.

We are great **collaborators**; we work as one team and with people who care about this place.

We value **learning** to help us innovate, improve and deliver better services.

Children's Services Vision

Working together to get it right for children, families and communities – protecting, learning, achieving and nurturing

Renfrewshire's Education Improvement Plan Priorities

<p>Protecting the most vulnerable members of our communities including children and young people who are at risk. Work will progress to ensure Renfrewshire keeps the Promise and delivers improved outcomes for individuals who are care experienced. Where possible children will be kept within their families and priority given to securing provision for kinship care.</p>	<p>Family supports and focussing on early intervention, by equipping parents and carers with the information, skills and support they need to ensure positive outcomes for children and young people in their care, whilst providing opportunities for parents and carers to shape the services that impact them.</p>	<p>Enhancing supports around mental health and wellbeing, including the school-based mental health and wellbeing programme and the Ren10 network of staff and volunteers who provide early help services to those in need.</p>	<p>Enhance learning and teaching, delivering a meaningful, relevant and progressive curriculum that supports a wide range of learner pathways by placing the rights and needs of every child and young person at the centre of education. Efforts will focus on raising attainment while ensuring equity for all. There will be a sustained focus on delivering a curriculum that equips all children and young people to achieve success in life.</p>	<p>Through a shared vision and understanding of inclusion, children and young people will experience inclusive learning experiences and supportive relationships which lead to positive life outcomes</p>

Our Vision, Values and Aims

Our vision -

Small School, Big Aspirations

Our values –

Respect Kindness Trust Teamwork Perseverance Equity

Our aims of Inchinnan Primary School are:

- *Foster a welcoming, safe, happy, and healthy learning environment*
- *Provide a relevant and challenging curriculum which ensures breadth and depth in line with Curriculum for Excellence.*
- *Celebrate achievement and attainment.*
- *Provide a variety of learning and teaching approaches to encourage personalisation and choice.*
- *Promote equity, equality and respect by supporting all.*
- *Encourage positive partnerships within school which extend to the wider community*

Who did we consult?

To identify our priorities for improvement, we sought the views of staff, pupils and parents. We used a variety of methods of gathering the views of those who are involved in the life and work of Inchinnan Primary School such as...

Pupils:

- Regular use of learning conversations to review individual progress
- Formal and informal discussions
- Pupil questionnaire/surveys
- Appointment of House and Vice Captains

Parents:

- 2 Parent Questionnaires – focusing on school priorities and How Good Is Our School 4 (HGIOS 4) key evaluative questions
- Pupil Progress reports, includes parent voice section.
- Parent Evenings – discussion of pupil's progress, including ASN plans.
- Parent Council almost all meetings - Online
- Informal feedback (open door policy)
- Parent Information Meetings re Curriculum for Excellence developments – including August 'meet the teacher' afternoon then post online/website.
- 'Meet and Greet', 'Coffee & Chat', drop in type events for parents and families.
- Sharing the Learning / communication – seesaw app.

Staff:

- Regular school self-evaluations linked with HGIOS 4 quality indicators including review of Improvement Plan, attainment and achievement.
- Staff meetings / In service days / Curriculum Development Sessions
- Review and update practices and procedures both formally and informally
- Individual Forward Plan feedback/Target Setting/ monitoring feedback
- Team Around the Child meetings, transition and interagency meetings
- Individual Professional Review and Development and Professional Update meetings

Various pastoral wellbeing check ins with pupils, parents and staff were undertaken, mostly informally.

We have also consulted with our partners across and outwith the Council to assist us in the delivery of our priorities. For example, through formal and informal discussions with partners re the impact of their services on the pupils, parents, and staff within the school as well as the needs of the wider community.

All information gathered is collated and used to assist us to identify next steps and areas for improvement.

How will we know if we are achieving our aims?

We will measure and evaluate the progress we are making to achieve the key outcomes set out in this plan. We do this using quality assurance activities that include:

Monitoring and Evaluation of pupils' learning is an on-going process throughout the year by using the following methods:

- Forward Plan monitoring with evaluations, consultation and feedback to staff
- Pupils' work – HT and class teachers looking at sample jotters/ workbooks in main subject areas, through seesaw and undertaking learning conversations.
- Discussion with pupils to evaluate understanding of Learning strategies (AifL) and ability to identify their strengths and next steps
- Assemblies where pupils show and explain a wide variety of very good work across the curriculum, as well as share wider achievements.

Curriculum for Excellence Benchmarking and Assessment

- Using the school attainment spreadsheet, staff termly identify all pupils' levels within literacy, numeracy and health and wellbeing, to track progression.
- Through various forms of summative and formative assessments, including, the use of Accelerated Reading programme, STAR Reading Tests, NSA assessments, Miscue analyse, Weekly Seesaw reports, numeracy planner assessments.
- Where possible, staff use IDL challenge-based assessments to bundle outcomes and assess learning across curricular areas.

Moderation

- We continue to use an in school moderated writing assessment session, based on the benchmarks for each level, to assess and monitor progress in writing.
- We have worked within and outwith the cluster to moderate writing, in light of varying approaches to the teaching of writing being used.
- We continue to use progressive pathways, for all aspects of literacy and numeracy to ensure consistency, pace and challenge at all stages.

Attendance

- On a daily basis, any unexplained absences are followed up by a text, then a phone call to the home.
- Attendance is monitored by the Head Teacher on a monthly basis for absence and late coming.
- Concerns are raised with parents where appropriate.

Budget

- Regular weekly meetings are held with the Senior Service Delivery Officer (SSDO) to keep up to date with change in various budget lines.
- Monthly reports are issued by SSDO and discussed with HT
- Repairs and maintenance of the building is discussed between HT, Senior Facilities Operative and SSDO as required to identify any issues and organise priorities.
- Staff and Parent Council are kept up to date with the school's budget and any other implications on in-service days and through staff meetings.

All information gathered is collated and used to assist us to identify next steps and areas for improvement.

Each year we also complete a Standards and Quality report and self-evaluation document which are monitored by Renfrewshire Council Children's Services' staff.
