Primary Transition Programme Park Mains High School

Dear Parent/Carer,

I am writing to provide you with some further information about our Transition programme for P7. The S1 Year Group team have been working closely with our primary colleagues to get to know P7 and we will very shortly begin classroom visits to each of our associated primary schools to meet the young people and answer any questions they may have about moving to secondary school, in general, and Park Mains High School in particular.

P7 will then be invited to participate in a range of Transition events. The first will take place Wednesday Feb 5th and will involve P7s coming to Park Mains in their school groups to participate in a Modern Language event. P7 will come again in school groups for a slightly longer session week beginning May 6th. Each primary school will make you aware of the specific time and date your child's school will be involved.

Our first Year Group event will take place on the afternoon of Wednesday May 28th. This event will be run by the Park Mains PE staff and will be supported by our S5/6 Sports Leaders. It is always an enjoyable afternoon and gives the young people an opportunity to start to meet people out with their primary school.

Our Transition programme will conclude with our two day Induction visit which will take place on Thursday June 12th and Friday June 13th. There will also be an opportunity to attend a short parental meeting on the evening of Thursday June 12th to provide you with more information about preparing your young person for S1 and to answer any questions you may have.

I will provide more detail about the Induction visit nearer the time. In the meantime, please find our Frequently Asked Questions leaflet attached. This document was produced using questions which arose from our first transition meeting in September. I hope you find it useful.

Yours faithfully

Paula Kirkwood
