P7 Transition Programme – Inchinnan Primary School

Dear Parents and Carers,

We are delighted to share information with you regarding our upcoming P7 transition visits to Park Mains High School. These visits are an important part of supporting our pupils as they prepare for the move to secondary school.

The visits will take place on the following dates:

- Friday 8th May 2026
- Wednesday 20th May 2026
- Thursday 11th June 2026
- Friday 12th June 2026

The transition programme has been carefully planned in partnership with your child's primary school to help pupils feel confident, comfortable and excited about this next stage in their education.

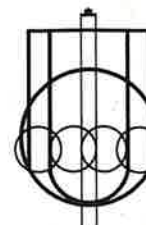

What the visits will include:

- A welcome from the senior leadership team and guidance staff
- Opportunities to meet teachers and support staff
- Sample lessons in different subject areas
- Time to meet other pupils who will be starting in August

These visits are designed to give pupils a realistic experience of high school life while providing reassurance and answering any questions they may have.

Further details, including specific dates, times, travel arrangements and what pupils should bring, are provided on the attached flyer. If your child has any additional support needs or concerns about the transition process, we have ensured appropriate arrangements are in place.
