

P7 Visit to Park Mains High School

Tuesday 23rd June 2020

We are very much looking forward to welcoming our new S1 pupils to Park Mains HS for a short visit on Tuesday 23rd June 2020.

Pupils in teaching sets 1A – 1E will be invited to attend a 2 hour session in the morning from 9:30am until 11:30am

Pupils in teaching sets 1F – 1K will be invited to attend a 2 hour session in the afternoon from 1:00pm until 3:00pm

The only entrance will be via the main gate at the front of the building. We would request that where possible pupils walk to school to minimise traffic in the immediate vicinity of the school. Where this is not possible, we kindly request that pupils be dropped off out with the school grounds and complete the final leg of their journey on foot. Work is scheduled to begin in the school car park on 23rd June.

Pupils should ensure that they are aware of which teaching set(1A-1K) and which House group (Arran, Bute, Mull, Skye) they have been assigned.

(Primary schools have shared this information, but secondary staff will be on hand to help if a young person can't remember!)

We would normally ask that pupils attend wearing their primary school uniform, but we are conscious that, in the current circumstances, this may not be possible. We are happy to welcome them, whatever they are wearing.

All pupils will be asked to sanitise their hands as they enter to the building.

All pupils will be expected to adhere to 2m distancing guidelines at all times.

Pupils will remain in one classroom for the duration of their visit, except when they are escorted to the Assembly hall for a class assembly.

Each class will participate in a short assembly during which they will meet Mr Dewar (HT) and Mrs Crean (DHT & S1 Year Head). The Pupil Support team will also be in attendance - Principal Teachers of Pastoral Care, Principal Teacher of Support for Learning, Principal Teacher of Bridge Base, Alison & Kirsty from Homelink and Mrs Nugent, Transition teacher.

Pupils will be involved in classroom activities for the remainder of the session. There will be a particular focus on Literacy, Numeracy and Health & Well Being.

With your child's safety being our main priority, can we ask that all pupils bring a pencil or pen and a filled water bottle with them on their visit.

The areas being used in the afternoon session will be cleaned between sessions.
