Arrangements for Langbank Hub.

Children should attend during normal school hours 9.00-3.00. Staff will be available at the school gate to direct pupils to the P3 classroom. Please note this may not be the entrance that they would normally use. Pupils attending the hub will be in a new bubble. Hubs will be staffed on a rota basis and pupils will not necessarily have their current class teacher. Lunch will be from 12-12.45. A free school lunch will be available for those pupils who are entitled.

Pupils will be able to bring their own devices and connect to the temporary network if they would rather use their own.

Children should wear comfortable clothing, they are welcome to wear their own clothes.

The purpose of school closures is to minimise the opportunity for community transmission, therefore only the staff directly involved in the hub will be in school on any one day. As per the government guidelines all other staff will work from home supporting the home learning.
