Dear Primary 7 Parents

### **Residential Trip**

This year I would like our Primary 7 children to participate in a residential experience along with the children from Inchinnan Primary School. Having received feedback from some parents the value in participating in this type of activity allows our children to feel confident about transitioning to high school having already established a few new friends and seeing familiar faces.

Both schools have consulted with their parents about preference and it is clear from my parent body that you would prefer 5 days however Inchinnan can only commit to 3 days. I really do not want our children to miss the opportunity to experience the benefits of transition therefore I suggest as a compromise that we arrange for an activity week (19<sup>th</sup> -23<sup>rd</sup> June) which includes Mon-Wed residential trip to Lockerbie Manor with Inchinnan Primary, followed by Thursday and Friday activities days for Langbank Primary 7 children to enjoy such as Go-carting, Flip out etc. I did enquire with Lockerbie Manor as to whether we could stay for 5 days however it means we would be on a different programme from Inchinnan and therefore would not be benefiting from the transition aspect of the trip.

Further details will be shared when we return from October break. The deposit for Lockerbie Manor will be £50 which is due on 31<sup>st</sup> October 2022.

I am sure our children will have a great experience and enjoy this fun filled week!

Yours faithfully

Patricia Lawson
