Langcraigs Primary Newsletter May 2019

News

Dear Parent/Guardian,

European Elections

Due to Britain's likely involvement in the forthcoming European elections, the school is scheduled to be closed on **Thursday 23rd May**, as it will be used as a polling station. **Pupils should not attend school that day.** I will keep you informed should there be any changes.

Mobile Phones

Unless it is absolutely necessary, please discourage your child from bringing their mobile phone to school. Phones can get lost or broken and as they are not permitted to be used between 9.00am and 3.00pm, there is no real requirement for mobiles by primary aged pupils. Any phones which are brought into school will be stored in a secure box within the classroom and not in the school office as was previously the case.

Emergency Numbers

Due to a recent incident where one of our pupils fainted and we were unable to contact parents due to old contact details, I would urge you to contact the school if you have changed your mobile/ house/ work number. It is imperative that we are able to contact you or a family member in the event of an emergency. Thank you.

Football News

Congratulations to Alexander McNeill and James Rafferty who have been appointed captain and vice-captain of the football team. Well done and we look forward to some exciting games ahead.

Parents' Meetings

I would like to thank all of you who were able to attend the parent/teacher meetings at the end of March. These meetings are one of the main ways in which the school can share with you how well your child is progressing and what can be done to help them achieve their full potential. Therefore, it is really important that the attendance rate is as high as possible and I am pleased that we had an average attendance of 89%. Well done and thank you once again for your support.

Open Afternoon

Our open afternoon on Thursday 21st March was also very well attended and I would like to thank you for taking the time to complete the evaluation sheet which you were given. Here is a sample of some of the comments which you made:

"The school is always welcoming and has a very good ethos".

"I think the school is very supportive to pupils who are having difficulties".

"The trips that my child has been on have not only been fun but educational".

"The school menus could be changed more often".

Nut allergies

Just a reminder, that as some of our pupils have nut allergies. I would be grateful if you would not send your child to school with any foods containing nuts. As far as possible, school kitchens try to ensure that all pupils who have a medical diet are catered for and it is also helpful if they are also supported by the school community. Thank you for your help with this important matter.

P7 Ceilidh

Just a reminder that the P7 Ceilidh will take place on **Thursday 20th June at the new time of 6.30pm - 8.30pm**. Further details will be sent out to our P7 pupils closer to the event.

Citizenship Winners
