

Class Teacher: Miss McMillan

Class: P 2/3

Dear Parent,

Below is an outline of what your child will be learning about this term. There are eight main curricular areas and, due to the flexible nature of Curriculum for Excellence, some areas may just be touched upon or may not be covered at all during a particular term. Therefore, do not be concerned if there is little or no information for a particular curricular area below. Be assured, that over the course of the school year, pupils will cover the requisite range of skills and experiences and outcomes appropriate to their particular stage.

Mathematics

Circles	Squares	Triangles
<ul style="list-style-type: none"> Numbers to 12 Shape Money 	<ul style="list-style-type: none"> Practical maths -capacity Revision of number bonds and doubles Revise telling o'clock and half past the hour times Addition and subtraction of numbers up to 20 working in jotters 	<ul style="list-style-type: none"> Multiplication (4, 5 and 10 times table) Division (2, 3, 4, 5 and 10 times table)

Language

We will continue to use Nelson Spelling this term.

Red reading group will complete the core reading scheme of ORT and move on to Project Origins books.

Blue reading group will continue to work on the core reading scheme.

Yellow reading group will continue to work on the core reading scheme.

Green reading group will work on the ORT Stage 1+

This term in Big Writing we will continue to use VCOP to produce high quality writing but will also focus on peer marking with the focus on reading over completed work to check for errors.

Health & Wellbeing

- PATHS (Promoting Alternative Thinking Strategies)
- P.E - Athletics
- Relationships and Sexual Health

Social Studies

We will be participating in the Lego first Explore programme called *Cargo Connect* this term. This programme has the core values of discovery, inclusion, innovation, teamwork, impact and fun. We will be gaining lots of STEAM skills too!

Sciences

Living things linked to relationships and sexual health.

Technologies

Cutting and sticking activities.

ICT - Developing ICT Skills through using different programmes including SPIKE Essential

- Education City
- Sumdog
- Teach Your Monster to Read

Homework

The homework will be issued on Seesaw weekly and you can choose the best way to fit this into your week. Here is a rough guide in case you prefer a structure to follow: Spelling/Phonics- Monday and Wednesday, Reading try to practise daily- this can include a variety of texts not just reading books. Maths can be spilt up with a few questions a night.

Your child will be issued with Maths Homework Booklets and Jotters for Spelling/ Phonics that can stay at home as a photo of completed work can be uploaded using the  button on the activity on Seesaw and then I can provide feedback.

Your child should bring their **reading book to school daily** as it may be required in class.

Any other information

Please remember to bring a **PE kit (shorts / t-shirt / gym shoes)**. Our P.E. days are **Tuesday** and **Friday**. Please don't send your child to school with jewellery on P.E. days. A wee reminder; can all items belonging to your child be **labelled**, as this means we can return any items found back to their owners.
