

Information for parent/carers about Langcraigs' Financial Education week

Dear parent/carer,

we are having a Financial Education week here at Langcraigs Primary for classes between p4 and p7. It will take place between Monday 6th and Friday 10th of June, though some activities may run over into the following week if required.

All p4-p7 pupils will have an introductory and plenary session at an assembly, before and after the planned week.

Some of our Learning Outcomes are

- To understand about our own money and that our decisions have consequences that affect us and others
- To increase awareness of the relative benefits of saving and spending in everyday situations
- To think about the long-term view of handling money, how we can pay for things and how money can affect our feelings
- To learn about how bank accounts operate, how we can keep our money safe, and the links between jobs and money

All pupils will

- Look at the factors that influence the way in which we make purchasing decisions
- Be able to use information to make informed choices about purchases
- Be able to differentiate between price and value, needs and wants
- Have the opportunity to taste and express their preference for a food source.

Financial Education Week 6-10th June 2022

Some of our Curricular links are

I can manage money, compare costs from different retailers, and determine what I can afford to buy. [MNU 2-09a](#)

I can identify essential goods and services, discuss the different ways to pay for them, considering the benefits and risks of each method. [SOC 2-21a](#)

I know that friendship, caring, sharing, fairness, equality and love are important in building positive relationships. As I develop and value relationships, I care and show respect for myself and others. [HWB 2-05a](#)

I can manage money, compare costs from different retailers, and determine what I can afford to buy. [MNU 2-09a](#)

By investigating food labelling systems, I can begin to understand how to use them to make healthy food choices. [HWB 2-36a](#)

I can understand how advertising and the media are used to influence consumers. [HWB 2-37a](#)

On our website, under the 'INFORMATION' tab and below the link for this guide, there is a **Parent Guide to** a booklet called '**Money and Me at Home**' (for either ages **7-9** or **9-11**) which is produced by The Bank of England. This booklet, which also available to access in the same website location, will be used by your child in class and possibly as homework via Google Classrooms– please see the 'OVERVIEW OF CLASS ACTIVITIES' below to ascertain which booklet (and other activities) will be utilised by each class.

We hope that the children of Langcraigs will gain some real-life skills from our Financial Education week, and enjoy the activities along the way!

If you have any queries about Financial Education week, please contact Mr Maclean or myself (as below).

Kind regards,

Mr Lardner
