

Langcraigs Primary School
Parents' Curriculum Information Sheet
2023/2024 Term 1

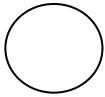

Class Teacher: Miss Wilson

Class: P6

Dear Parent,

Below is an outline of what your child will be learning about this term. There are eight main curricular areas and due to the flexible nature of Curriculum for Excellence, some areas may just be touched upon or may not be covered at all during a particular term. Therefore, do not be concerned if there is little or no information for a particular curricular area below. Be assured, that over the course of the school year, pupils will cover the requisite range of skills and experiences and outcomes appropriate to their particular stage.

Mathematics

- Position and Movement
- Information Handling
- Area
- Times Tables
- Mentally add and subtract 3 digit numbers

- Decimals
- 2D and 3D Shapes
- Weight
- Pattern and Sequence
- Volume

- Number Bonds to 20
- 2D and 3D Shapes
- Chance and Uncertainty
- Area and Division

Language

- Talk for Writing (VCOP)
- Oxford Reading Tree Reading Scheme
- Nelson Spelling
- Nelson Reading Comprehension
- Nelson Grammar
- Class Novel
- Listening Activities

- Countries from Around the World

Health & Wellbeing

- Internet Safety
- Cyberbullying
- Growth Mindset and Meditation

Expressive Arts

- Perspective Drawing
- Water Colours
- Millie Marotta Line Drawings
- Topic related art, drama and music
- Role play and improvisation

Technologies

- ICT - Topic related activities design
- Google Classroom

Physical Education

- Ball Games
- Non-Contact Sports

French

- Greetings
- Numbers to 100
- Colours
- Family
- Pets
- Duolingo

Science

- Energy
- STEM - impact of aerodynamics on performance in partnership with Glasgow Caledonian University.

R.E

- Christianity - The Story of Joshua
- Hinduism - Ramayana and Diwali

Langcraigs Primary School

Primary 6 Homework Programme

Session 2023/2024

Homework is an essential link between school and home and therefore your support in this matter is very much needed. Below you will find a guide to what is expected of your child in P6 each week and also each term with respect to homework.

Spelling

Spelling homework will be given out on a Monday for the full week. Your child should write each word twice and complete one of the spelling tasks; they will have until the Friday to complete it. Each Friday there will be a spelling test and it is important that your child revises their words for the test. Spelling homework will be accessible via Google Classroom or can be completed in jotters.

Reading

Reading homework will be issued every Monday. Your child should prepare the pages for Wednesday and Thursday as they will have associated tasks to complete in class.

The content of their reading book should be discussed in order that it is fully understood and that any unknown vocabulary is looked up in a dictionary to ensure your child knows the meaning. If your child is doing a novel study, he/she will be expected to complete a reading log each week.

Maths

Maths homework will be given out on a Monday. This should be completed for the Friday of the same week. Occasionally there will be no Heinemann related homework, therefore on these nights revision of times tables would be beneficial. In addition to this, there may be mental maths homework issued.

Topic

Topic assignment homework will be given a few times during each term. This will be accessible via Google Classroom, if this is difficult to access at home there will be weekly ICT slots and daily Homework Club sessions to complete any topic tasks.

PLEASE NOTE – The school cannot print out topics handed in on U.S.B devices or C.D. format, due to council regulations.

Listening/Talking

Your child will be asked to prepare a 2-minute talk in Term 1 and Term 3. They will be given 1-2 weeks to prepare the talk at home or during ICT time which they will present to the class.

Finally, please check and sign your child's homework diary.

We hope to have a happy and productive year in P6 and I thank you in advance for your support.
