21 September 2023

Dear Parent/Guardian,

Potential Industrial Action

Due to the extended deadline between COSLA and various Unions, it may be the case, by the time you read this letter, that the pay dispute has been resolved and pupils will return to school as normal on Tuesday 26th September.

However, in the event that strike action is going ahead, the school will be closed to all pupils on Tuesday 26/9, Wednesday 27/9 and Thursday 28/9, with pupils returning on Friday 29/9.

On the three strike days, teachers, as instructed by their Unions and by Renfrewshire Council, will not teach new concepts or undertake live learning but will instead provide their pupils with a range of consolidation activities through the platforms of Seesaw (P1-P4) and Google Classrooms (P5-P7). For pupils who do not have any access to online learning, paper packs will be distributed. Teachers will check in online at various times throughout each day to answer any questions and provide any support, as appropriate. Your child's teacher will provide any required login details and go over their plans with pupils before being dismissed this afternoon.

I realise that the normal classroom experience cannot possibly be replicated at home / online but please be reassured that staff are doing everything they can to provide as best an educational experience as possible during these challenging circumstances.

Your support and understanding are much appreciated.

Yours sincerely

Graeme Maclean
