Dear Parent,

Below is an outline of what your child will be learning about this term. There are eight main curricular areas and due to the flexible nature of Curriculum for Excellence, some areas may just be touched upon or may not be covered at all during a particular term. Therefore, do not be concerned if there is little or no information for a particular curricular area below. Be assured, that over the course of the school year, pupils will cover the requisite range of skills and experiences and outcomes appropriate to their particular stage.

Any other information

Our P.E. days are Tuesday and Thursday. Please remember to bring a change of shoes for P.E. Please ensure all school uniform, coats and shoes are named, as this will help us to identify any lost property.

Please ensure that your child comes to school with a filled water bottle - with water only.

If your child wears glasses, please make sure they come to school with them each day.

In order for us to use our Outdoor Area each child will require a change of wellies to be kept in school. If your child does not have a change of shoes they will be unable to use the space, please send in a pair of wellies labelled internally with their name. We do have a small number spare wellies available. Children's waterproof clothing such as trousers and jackets are provided by the school. Thank you to those parents who have already sent in a labelled pair.
