

Langcraigs Primary School

Primary 4/5 Homework Programme

Session 2024/2025

Homework is an essential link between school and home and therefore your support in this matter is very much needed. Below you will find a guide to what is expected of your child in P4/5 each week and also each term with respect to homework.

Spelling

Spelling homework will be given out on a Monday for the full week. Your child should complete and hand in their Spelling homework by the following Monday at the latest. On Friday there will be a spelling test and it is important that your child revises their words for the test.

Reading

Reading homework will be issued on a Monday. Reading will be practised in school on a Monday and Thursday.

The content of their reading book should be discussed in order that it is fully understood and also that any unknown vocabulary is looked up in a dictionary to ensure your child knows the meaning.

Maths

Maths homework will be given out on a Monday. This should be completed and handed in by the following Monday at the latest. Occasionally there will be no Heinemann related homework, therefore on these nights revision of times tables would be beneficial. In addition to this, there may be mental maths homework issued.

Topic

Topic assignment homework may be given occasionally throughout the year.

Listening/Talking

Your child will be asked to prepare a 2-minute talk in Term 1 and Term 3. They will be given 1-2 weeks to prepare the talk at home and they will present it to the class.

It is important that all homework is checked for errors, corrections made, then signed by parents or guardians.

Finally, please check and sign your child's homework diary.

Our PE days this year are Tuesday and Wednesday, if possible, please bring a change of shoes to keep the gym hall and equipment clean.

We hope to have a happy and productive year in P4/5 and we thank you in advance for your support.
