

Welcome to Class Dojo!

Following discussion during our in-service days, we have decided to use ClassDojo instead of It's Good to be Green as a positive reward system. However, ClassDojo is much more than a reward system.

ClassDojo is a communication platform that helps build strong school classroom communities by connecting teachers, students, and families. It allows teachers to share updates, photos, and videos of classroom activities with parents through a private and secure feed called Class Story. Parents can also use ClassDojo to communicate with teachers through messages.

This year we'll be promoting our school values through Dojo points. Children can earn Dojo pints for showing respect, effort, ambition caring and honesty. They may also receive a 'needs work' Dojo if they need reminded of any of the school values.

We'll also use it to communicate with one another: instantly sharing messages, updates, events, and photos from class. It's simple, secure, and gives you a window into your child's school day! We'll also use it to share school newsletters and updates through School Story.

We'd like all families to join us by signing up for a parent account on ClassDojo! You can use it on any device: it's a simple, free mobile app for iOS and Android, and can also be accessed from your computer at classdojo.com. An email will be sent out with your child's Dojo class details. You can use the QR code to join your child's class.

Find out more about ClassDojo, and how it is safe and simple to use:
