Head Teacher: Mrs Julie McCallum

Monday 8th March 2021

Dear Parents & Carers,

As per the First Minister's statement, we are pleased to confirm that the next phase of reopening education will take place next Monday, the 15th of March 2021. From that date, unless new evidence or new circumstances force us to reconsider, we look forward to welcoming all remaining children from primary 4 to 7 back to school on a full-time basis.

Children should wear school uniform and continue to dress for the weather. We expect to be outdoors regularly again, and also for PE sessions, where the weather allows. School transport will resume from this day and school lunches will be available. Please make sure you have logged onto ParentPay for lunches or have applied for free lunches if applicable.

We would encourage any pupil who wishes to wear a mask to do so while travelling to and from school and we will continue with enhanced cleaning, social distancing and routine hand washing throughout the day.

I know from speaking to you that these past two months have been very difficult. I would like to thank each and every one who has helped support our young people on our behalf and I know I speak for the whole department when I say how pleased we will be to see them all again on Monday, all being well.

Yours sincerely
