

Welcome to Mary Russell School

Dear Parent/Carer

We would like to take this opportunity in advance to give you a warm welcome to Mary Russell School!

We are sure that the normal concerns and questions that you may have regarding transitions are heightened during these difficult times. Therefore, we are writing to reassure you that our new pupils are very much part of our current plans and concerns at this time.

In the past few months, pastoral staff have been in ongoing dialogue with primary colleagues to discuss pupil needs. Extended transitions for our new S1s and our 1-day transition programme for our current P7s will take place during May and June.

We are working hard in a variety of ways to make sure transition is as smooth as it can be for your son/daughter.

Mary Russell School Transitions Update to Primary Parents / Carers

Some of our Plans

Miss Hamill (S1 Pastoral Support) will continue to gather all relevant information on your child's learning and ASN needs, in communication with primary colleagues.

Our current P7s' Transition Day will take place on Wednesday 16th June.

A transition booklet is available on the school website to allow your child to familiarise themselves with their new school.

Links to an online video providing a tour of the school and introducing staff is available on the school website.

A copy of the school handbook will be sent out providing some additional information (however, in these times some information and procedures will be open to change).

Miss Hamill and our Home Link workers will call every family to introduce themselves, offer guidance and give you a point of contact for the new school session 20-21.

Our website and Facebook feeds contain an abundance of information to allow you to discuss MRS with your child. We would request that you check our website on a regular basis for any updates. <https://blogs.glowscotland.org.uk/re/maryrussell/information-2/parent-zone/general-information/>
