Parental Employment Support Fund

Well look no further...
Invest in Renfrewshire
can support you with the following:

- Help you to develop new skills to increase your employment opportunities
- Support you with job searching and interview skills
- Support you in identifying employment goals
- Potentially increase your income through employment
- Gain accredited training to progress within your career or as a stepping-stone to start your career
- Offer paid traineeship opportunities (where appropriate)
- Access welfare advice to maximise your household income
- Access carer support networks and suitable childcare options

If you are employed or unemployed,
we can support you to access
employment/gain qualification or
improve your current employment

Phone: 0300 300 1180 or email: invest@renfrewshire.gov.uk
