29th January 2021
Believe and you will achieve.

Upcoming Dates: Holiday Weekend: School is closed Monday 8th Feb - Wednesday 10th Feb and remote learning will resume on Thursday 11th February. HUB ALSO CLOSED.

HOME LEARNING TOP UP PACKS WEDNESDAY 10th FEBRUARY

**As always we will update you on any changes to schools being open as we get it.
Easter Holidays: School will be closed on Friday 2nd April and re open on Monday 19th April.**

Home Learning continues and well done all you home schoolers we are loving seeing all your posts on Seesaw. The staff are all so impressed with the work you are doing and we hope this continues although we know it does get harder as the weeks go on. KEEP GOING and remember those values of Determination and Positivity.

Some classes have already taken part in live sessions with their teacher so well done P7 and P3/2 and we look forward to being able to organize more opportunities for all our children. As we are doing it securely through Glow it does take a bit of organizing- SORRY MS BAIN - so bear with us as we roll it out but we will keep you updated and informed about how and when to access them. This will be an opportunity for children to not only see their teacher but all their friends too as I know they are missing them!

Please look out for a survey being sent to you asking for your views on Remote Learning and if you could take time to complete it. This is being sent out to all schools and the feedback will be really helpful. We will also be sending out our own school one to understand what has gone well and what can be improved.

Staff have planned for remote learning up until the holiday weekend. As we may be at home for longer than we thought staff are going to update resources children may require for home learning. These top up sets will be ready on WEDNESDAY 10th FEBRUARY and this will include a little SURPRISE!

Please come and collect your pack on Wednesday 10th February from the tables in the playground outside P1. We know things have been really tough this week and the Lockdown/Home Schooling situation has really been challenging. We want to let you know we are here, we think you are all amazing and want you to have a little boost! We will keep you updated.

We hope you enjoy our interactive assembly today and have your thinking hats on. We look forward to getting all your quiz answers in to us!

Jane Houston
