PARENT COVID SAFETY GUIDELINES

School

Daily ongoing cleaning.

Minimum adults in each class.

Staff wear face coverings in all communal areas including playground but are not required to wear them when teaching infant children.

Children will follow the usual daily handwashing routines they followed prior to the holidays.

We will ensure good ventilation and children will have a longer morning break to allow them time to be outside and adjust to being back in school.

Staff are also now self testing twice a week.

Parents

Only 1 parent to drop off/pick up children.

Every adult in the playground must wear a mask.

All adults keep 2 m apart and do not meet in groups.

Parents encouraged not to car share.

If you have any symptoms please self-isolate.

Parents to remain 2m back from staff and we have areas marked to help you with this.

No children on active trail before and after school.

No toys or items to be brought in from home.

P4-7 RETURN

P3/4 and P6 start at 8.50 am and finish 2.50 pm all other classes 9am - 3pm.

P4/3 will be working with Miss Dundas every Monday and Tuesday and then Mrs Mulheron Wednesday to Friday.

Can we ask that no child comes to school wearing wheelie shoes as they are not safe and they will be asked to change their footwear if wearing them.

Just a reminder that any Laptops/ICT equipment given out on loan is returned to us as we require everything to be back in school for children to use.

The school has purchased 50 new chromebooks and some new ipads which we are so excited about. This will build on all the skills developed through home learning and enable our children to keep progressing their IT skills.

Have a lovely weekend and stay safe!
