Dear Parents / Carers,

Dropping off and collecting children

Given the location of our school, and particularly the entry and exit point, I completely understand the safety concerns that some of you have raised in response to our continuing efforts to find a manageable and effective solution to dropping off and collecting children that conforms to national and local guidance in the face of the current circumstances.

Thank you for your continuing support and patience as we work with you, and seek support from appropriate council officers, to find such a workable, manageable solution. I know that we have a shared desire to do all that we can, within current restrictions necessarily imposed upon us, to ensure that your children are safe on their way to and from school and while in school.

In this regard I'm grateful to you (P1-P3 parents) for your adherence to the request to wear a face mask while in the playground and for making sure that only one adult accompanies your children.

I will provide you with a further update as soon as I can and will ensure that any recommendations by the appropriate parties are implemented in the hope of addressing your concerns.

Thank you again for your patience and understanding.

Yours sincerely,

A handwritten signature in black ink that reads 'Carol Cooke'.
