Dear Parents/Carers,

I am writing to inform you that I have decided to retire at Christmas 2020. I am letting you know just now as the post will be advertised in the near future so that a new Head Teacher can take up the post as soon as possible in January 2021.

I am so proud of all the great achievements the school and our children have made over the years. I have loved being Head Teacher in Newmains Primary School and I will really miss the children and being part of the school community.

I want to thank all parents and members of the school community for their support. Everyone working together is what makes Newmains such a great school.

I will continue to work hard over the next three months to support all children and families during this difficult time.

Thank you once again.

Kindest Regards

Carol Cooke
