

A Challenge - should you wish to accept one!

gg57829800 GoGraph.com

If you have a chance, try one of the following challenges relating to our creatures.

Make a model of one of the creatures. You could use plasticine, dough, old cardboard, papier mache (if you're feeling messy!), lego - anything.

Draw or paint a picture of your creature. Make it lifelike or fun!

Make a poster all about your creature. Put in pictures and as many facts about it as you can find! You could do this electronically if you prefer.
