

A fun **FREEBIE** comprehension activity  
to accompany the book

# *Prince Cinders*

by Babette Cole

Kids laugh out loud at this hilariously funny version of Cinderella. It's also a great book to compare with the original Cinderella or other versions available today. I enjoy using it in my classroom because, unlike most versions of Cinderella, the main character is a boy. This download includes:

- **20 Comprehension Question Cards**

These can be used as a Class travel or scoot game, in a reading center, with partners, for small groups, or as a whole group activity. Student answer sheet and teacher answer key are provided.

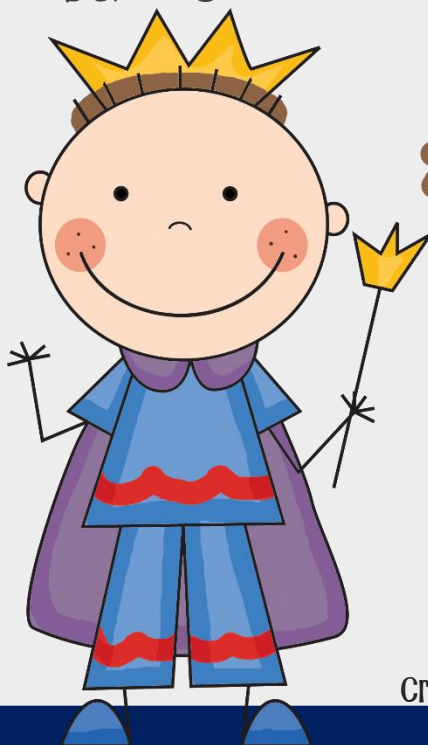

Please check out my TPT store for fun activities for the following Cinderella books:

-the original Cinderella

-Cinders: A Chicken Cinderella

-Bigfoot Cinderella

-Chickerella
