

Paisley Early Learning & Childcare Centre

Head of Centre: Laura Hughes
Depute Head of Centre: Elaine Morrison

Dear Parents/Carers,

I am delighted to share with you that after a communication's review we have decided to launch Seesaw as our new app in the centre. Seesaw is a secure online communication app where we can share learning and news between home and nursery, your child can also add photos and voice recordings and the nursery can share learning and news. Our new app will provide a two-way communication portal between you and your child's keyworker.

The app needs to use your child's name and can allow you to view and comment on your child's journal by providing an email address or phone number. Seesaw **does not** share or sell your child's personal information or journal content. You can read more about their strong privacy statements here; <https://web.seesaw.me/privacy>

The law states that we must get your permission to use your child's name on the app. Find more information on General Data Protection Regulation (GDPR) here; <https://ec.europa.eu/info/law/law-topic/data-protection/reform/rights-citizens>

I hope that your child will enjoy using Seesaw to share their learning. Please sign below and complete the permission slip so your child can take part.

Yours Sincerely

Laura Hughes

Laura Hughes
Head of Centre

Please complete and return to nursery Seesaw Permission slip.

I consent/ do not consent for my child, named below to use Seesaw in nursery.

I consent/ do not consent to using my email address/phone number to use this app.(this will allow us to send notifications and allow you to view & comment on your child's journal)
