Sun protection agreement and permission form

I understand Paisley Early Learning and Childcare Centre follows guidance from the SunSmart Early Childhood Program using a combination of sun protection measures (clothing, sunscreen, a hat, shade, and if practical, sunglasses).

I agree to support the nursery in keeping my child safe from skin cancer by doing the following:
(Please tick all that apply)

- Dress my child in cool clothing that covers as much skin as possible e.g. tops that cover the shoulders, arms and chest, has higher necklines or collars, and long shorts and skirts. I understand that singlet tops or shoestring dresses do not provide adequate sun protection and are best layered with a shirt or t-shirt.
- Remind my child to bring and wear a sun-protective hat that shades the face, neck and ears (e.g. wide-brimmed, bucket or legionnaire hat). I understand that baseball / peak style caps do not provide adequate sun protection and are not appropriate for outdoor play and activities.
- Remind my child to bring and wear a sun protective hat for the walk to and from the service each day.
- Optional provision - Provide my child with appropriate close-fitting wrap-around sunglasses labelled AS:1067 to help protect their eyes.
- Give permission for educators/staff to apply 50+ (or higher), sunscreen supplied by the service to all exposed parts of my child's skin including their face, neck, ears, arms and legs so they can re-apply as required.
- Give permission for educators/staff to apply 50+ sunscreen to all exposed parts of my child's skin including their face, neck, ears, arms and legs. I agree to provide sunscreen that will be kept at the service and it is my responsibility to make sure there is always an adequate supply available.
- Give permission for educators/staff to assist my child to develop independent, self-help skills by applying sunscreen to all exposed parts of their own skin including their face, neck, ears, arms and legs. (Recommended from ages three and above)
