

## Monday 22<sup>nd</sup> June

PowerPoints, PDF's, worksheets and other resources can be found in our TEAM's files and/or Class Notebook sections.  
Remember..... it is important to try to complete one task from each curricular area.

Others at home are busy too and may need to use the computer or sometimes files just won't open. When this happens, please do not worry or spend too much time trying. Perhaps you have books or other resources you could use off-line instead. If you can't join in with today's plan remember to keep practising your reading skills, number bonds and times tables..... That's okay too. *I know you will try your best.* 😊

*Even if you choose to learn these skills in different ways, please remember to complete your 'My Learning Today' assignment.*

HWB		IDL	
<p>Let's get our brains and bodies energised. I am suggesting we all take the first 30 minutes of our day to do some physical activity. See you at 9:30am</p> <p>Remember to keep active at other times during the day too.</p>	<p>I know lots of you are still following Joe Wicks. He is only going to be sharing his fitness programme on Monday and Wednesday this week.</p> <p>Try the challenge set by our Active School Coordinators for this week.</p> <p>Remember, our results will be compared against other schools and we have a chance to win the first ever RL Online Olympics! You can only upload your best score before the 24th May so let's get practising!</p> <p>GO TEAM BISHOPTON!</p>	<p>IDL/science Food science.</p>	<p>You have been doing fantastic work learning lots about farming and food. Here is a little quiz to try</p> <p><a href="https://www.educationquizzes.com/ks1/science/plants-farming/">https://www.educationquizzes.com/ks1/science/plants-farming/</a></p> <p>There are 10 questions. You can tell me your result in today's 'My Learning' assignment</p>
<b>Literacy</b>		<b>Numeracy</b>	

Scroll down to check for more.

<p><b>Reading</b> DEAR time 15+ mins dedicated to real reading (independent)</p>	<p>Choose a book from Oxford Owl /Harper Collins (Book colour) Fill in a page of your First Minister's Reading Passport. Ready to complete when you finish the book.</p> <p>Let me Know in the 'How did I do today?' assignment what book and colour/ZDP you are reading.</p>	<p><b>Measurement -</b></p> <p><b>Li:- Perimeter &amp; Area</b></p> <p>Remember to keep your mental maths skills sharp, you can use Sumdog contest this week.</p>	<p><i>This song will help you find out what area and perimeter are.</i> <a href="https://www.youtube.com/watch?v=qU8aWpRd6Qw">https://www.youtube.com/watch?v=qU8aWpRd6Qw</a></p> <p><b>Perimeter = sum of all the sides</b> <b>Area = length x breadth (width)</b></p> <p>Explore perimeter and area with this top-marks activity. <a href="http://toytheater.com/area-perimeter-explorer/">http://toytheater.com/area-perimeter-explorer/</a></p> <p>Perhaps you could work out the perimeter of a book, a table, your room or garden. (measure in cm and metres)</p>
<p><b>Spelling</b></p>	<p>We have completed our spelling programme for this year.</p> <p>When we train our brain, we can see and sort things because our brain has learned to look for friendly letters and other well used letter combinations.</p> <p>I think you will enjoy trying to unscramble the letters to find the foods</p> <p>Word scramble - <a href="http://toytheater.com/word-scramble-1/">http://toytheater.com/word-scramble-1/</a></p>
