

Tuesday 23rd June

PowerPoints, PDF's, worksheets and other resources can be found in our TEAM's files and/or Class Notebook sections.
Remember..... it is important to try to complete one task from each curricular area.

Others at home are busy too and may need to use the computer or sometimes files just won't open. When this happens, please do not worry or spend too much time trying. Perhaps you have books or other resources you could use off-line instead. If you can't join in with today's plan remember to keep practising your reading skills, number bonds and times tables..... That's okay too. *I know you will try your best.* 😊

Even if you choose to learn these skills in different ways, please remember to complete your 'My Learning Today' assignment.

HWB		IDL	
<p>Let's get our brains and bodies energised. I am suggesting we all take the first 30 minutes of our day to do some physical activity. See you at 9:30am</p> <p>Remember to keep active at other times during the day too.</p>	<p>Renfrewshire Olympics, Go-Noodle, Cosmic yoga etc.</p>	<p>French</p> <p>Li :-</p> <div style="display: flex; justify-content: space-around; align-items: center;"> <div style="width: 20px; height: 20px; background-color: blue; margin-right: 10px;"></div> <div style="width: 20px; height: 20px; background-color: red;"></div> </div>	<p>Our Summer is going to be quite different this year. If we can't travel abroad, I thought perhaps during the holiday you could have a pretend French Café.</p> <p>This would be a fun way to practise some of the things you have learned this year.</p> <p>This video will help you with some important words/phrases to use.</p> <p>https://www.youtube.com/watch?v=r5MeISeiQ3U</p>
Literacy		Numeracy	
<p>Writing: -</p> <p>Li:- Creative- Surprise the Teacher</p>	<p>Over the past few weeks, you have all been learning lots of new things and practising some of the skills you already been taught.</p> <p>For your last piece of writing, I would like you to surprise me.</p>	<p>Li:- Data handling</p>	<p>There are different ways to sort and display information. Today we are looking at Venn Diagrams. Watch this video to remind yourself about Venn Diagrams</p>

Scroll down to check for more.

	<p>Using your writing skills, I'd like you to show off your learning by creating a fact-file, leaflet or imaginative story.</p> <p>You can choose what you would like to write about and how you would like to set it out.</p> <p>I would like you to plan your project and do a draft copy today and a final copy tomorrow.</p>		<p>https://www.bbc.co.uk/programmes/p017kt59</p> <p>Look at the Sorting-Venn Diagrams worksheet.</p> <p>Scroll down to find the Food – Yellow activity.</p> <p>Can you sort these things correctly on the Venn Diagram?</p>
<p>Reading</p>	<p><i>Take some time to enjoy some personal reading.</i></p>
