

Wednesday 24th June

PowerPoints, PDF's, worksheets and other resources can be found in our TEAM's files and/or Class Notebook sections.
Remember..... it is important to try to complete one task from each curricular area.

Others at home are busy too and may need to use the computer or sometimes files just won't open. When this happens, please do not worry or spend too much time trying. Perhaps you have books or other resources you could use off-line instead. If you can't join in with today's plan remember to keep practising your reading skills, number bonds and times tables..... That's okay too. *I know you will try your best.* 😊

Even if you choose to learn these skills in different ways, please remember to complete your 'My Learning Today' assignment.

HWB	Other
<p>Let's get our brains and bodies energised. I am suggesting we all take the first 30 minutes of our day to do some physical activity. See you at 9:30am</p> <p>Remember to keep active at other times during the day too.</p>	<p>HWB/ science Food and Fitness</p> <p>The lovely people at Aldi's have created a challenge for you to do. It is based around an Olympics theme with lots of different, fun ways to help you make decisions to promote a healthy lifestyle.</p> <p>There are lots of challenges which you could start today then continue during the holidays. Work your way through the medals challenges a bit at a time.</p> <p>So go on..... <u>Get Stuck In</u></p>
<p>Renfrewshire Leisure have launched Olympics – an interschool challenge. It'll be fun to try this as a wee change from other morning P.E challenges.</p> <p>Remember, our results will be compared against other schools and we have a chance to win the first ever RL Online Olympics! so lets get practising!</p> <p>GO TEAM BISHOPTON!</p> <p>Joe Wicks is sharing his fitness today</p>

Literacy		Numeracy	
<p>Grammar - Li:- Surprise the Teacher.</p> <p>Review and improve.</p>	<p>It's time to use your editing skills. Read over your draft copy. Is this the best it can be? What do you need to do to make it even better?</p> <p>Now write your final copy.</p>	<p>Numeracy – Revision</p>	<p><i>Follow this link. (Second Grade in America is pretty much the same a P3 in Scotland.)</i></p> <p>http://toytheater.com/category/math-games/second-grade-math-games/ Choose an activity to practise your skills.</p>
<p>Reading DEAR time 15+ mins dedicated to real reading (independent)</p>	<p>Remember every day to have some special reading time.</p>
