

Our Ref: CK/M059/GJU  
Date: February 2020  
Subject: Curriculum Evening

Dear Parent/Carer

On Thursday 27 February 2020 we will be holding a numeracy and mathematics evening. Staff working at early level (P1), first level (P2-P4) and second level (P5-P7) will share learning and teaching approaches, new resources and new initiatives and share hints and tips on how you can help your child at home.

You and your child will have the opportunity to work together on a variety of numeracy tasks including active games, problem solving activities, computer games and work related to number and the number processes.

The evening will run from 6.00 pm – 7.00 pm and during that time you can drop into any of the classrooms open on the evening including the ICT Suite to gain an insight in to the numeracy work your child is involved in on a daily basis.

Please indicate below your intention to attend our numeracy family learning evening and return to your child's teacher by Friday 21 February 2020.

Yours faithfully

Caron Kerr  
Depute Head Teacher
