Dear Parent/Carer

29<sup>th</sup> April 2024

## **“Get Set for the Grammar”**

As your son/daughter is well into their final term in P7 I'd like to take this opportunity to provide you with important information about the transition towards joining Paisley Grammar School. I'm sure your child is excited about joining secondary school, and perhaps a little apprehensive, so I hope this information will put you both at ease.

The **P7 Induction Days** take place on **Thursday 13<sup>th</sup> and Friday 14<sup>th</sup> June 2024**. This is our final transition event when P7 pupils follow a full timetable and get to know their future classmates.

As well as learning about the curriculum, the future S1 pupils meet as a group and every encouragement is given to make new friends and break down barriers. In their evaluations of these days, pupils always identify how much they enjoy it and how much less anxious they feel after having met some of their future classmates. To help them settle into the school we will also organise lunchtime activities and clubs - these clubs are free and require no additional equipment.

Our school day begins at 8.50am and finishes at 3.40pm on Thursdays and 2.50pm on Fridays. However, for Induction Days we would like the P7s to arrive at **9.00am**. I would ask that your child enters through the side gate at McKerrrell Street into the playground from where they will be directed to the Assembly Hall. Information about their timetable for the two days will be shared then. Pupils are encouraged to make travel arrangements to and from school that are similar to their plans for August.

Pupils should bring a snack and drink for interval and a packed lunch. Pupils entitled to a free lunch can receive one from our canteen. Pupils are asked to wear their primary school uniform and bring with them pens, pencils and a suitable PE kit.

We also invite all P7 parents to an information evening which will be held on **Thursday 13<sup>th</sup> June at 6.00pm** in Paisley Grammar School Assembly Hall and we look forward to seeing you there. This will take the format of a short presentation and then an opportunity for questions from approximately 6.30pm.

We are very much looking forward to working with you and your child in the coming months. Should you wish any further information, please do not hesitate to contact me at the school.

Yours faithfully

*Alan Davidson*
