Subject: Bikeability Level 2 Training

Dear Parent/Carer

Bikeability Level 2 training will take place on the following dates:

**Tuesday 2 September**  
**Tuesday 16 September**  
**Tuesday 30 September**

**Tuesday 9 September**  
**Tuesday 23 September**  
**Tuesday 7 October**

Your child's bike was checked today in school and any repairs required have been highlighted to ensure it is in roadworthy condition. Could you please ensure repairs are carried out before training begins next week.

Please refer to the 'Parents Guide' on the school website for further information.

You must provide head protection (helmet) for your child and suitable outdoor clothing should be worn.

The first part of the training will take place in the school playground and the second part will take place on the local public roads. Your child will go through a process of assessment and will be monitored on their progress. At the end of the training, they will be issued with a certificate and badge from Bikeability Scotland. The certificate will give you a clear indication of how they have been graded on Observation, Safe Road Positioning and Signalling. It will highlight any areas that require further guidance.

**Only the basics of safe cycling can be learnt on this type of course, and it is very important that you continue to provide road safety help and guidance to your child following the sessions.**

Renfrewshire Council/ Leisure will not be responsible for damage or loss of a child's bicycle.

**Through ParentPay please confirm permission for your child to take part and confirm that your child's bike is in a roadworthy condition.**

Yours sincerely
