

# Tone

**Learning Intention:** For this homework exercise you will be using the Visual Elements; **line and tone** to produce an observational drawing of an eye. Copy this image of an eye into your sketch book. You should draw the large shapes first. Remember to look closely before adding the detail. When you are happy with the shape you can apply tone to the dark and light areas. Remember to apply the tone gradually.

## Success criteria

- Have you drawn an accurate shape?
- Have you applied the tone carefully to the light and dark areas?
- Is your drawing neat and tidy?
