What the passengers thought?

'I am very happy with the support my son receives, it is tailored to suit him. I feel that I am able to contact the school whenever I need to. (You deserve a medal)!'

'The work that you and your colleagues do is outstanding. I have asked my manager to visit, so she can see first hand the welcoming environment and the insightful, practical, effective and caring approach provided for pupils..' and 'I can honestly say that it has been the highlight of my year coming to work in Linwood High.'

'I was immediately made to feel welcome by staff and pupils alike. Interactions between, and amongst, staff and pupils are characterised by care, concern and understanding. It is absolutely clear that this emanates from the school leadership and carries on through the school like lettered rock.'
