

NEW!

PSE Session

Substance Misuse - Early Years/ Primary

Monday 12th September - 4pm -5.30pm

Renfrewshire Council are delighted to launch their new Alcohol and Drug Education Resource Pack! The council have worked in partnership with Iamme Scotland, Renfrewshire's Health and Social Care Partnership, Police Scotland and children, young people and the wider community to produce a digital and interactive 'life and go' resource. The resource is free to use and is based on the NHS GGC Alcohol and Drug Misuse Toolkit. The West Partnership are delighted to showcase this resource with all of our early years and primary practitioners.

NEED TO KNOWS

The session will take place on Teams on Monday 12th September.

This is for anyone who works with children and young people in early years or primary settings.

Sign-ups will be open until 3pm on Monday 12th September.
