

SPACE

Complete five activities by **Friday XXXXXX**. The sensible thing would be to do one activity a day. You do not need to do all eight on the grid. Choose the ones that interest you the most. You can do the activities either in google docs, google slides or on paper.

<p>Night and Day</p> <p>Learn about what makes it night and day on Earth. Visit BBC Bitesize you can watch the video, and complete the activities before completing the quiz. Make a note of your score.</p> <p>Share with your teacher.</p>	<p>Moon & Stars</p> <p>On a clear night look out of your window or go into your garden and look up at the moon and stars in the sky. Draw or paint a picture of what you can see.</p> <p>Share with your teacher.</p>	<p>Sing and Dance</p> <p>Choose one of these songs and learn the dance to go along with it. 8 Planets Dance, Moon Landing Dance, Outer Space, or The Planets Song</p> <p>Can you make up your own dance moves? Can you learn the words and sing along?</p> <p>Share with your teacher.</p>	<p>Space Food</p> <p>Watch these clips and then tell us what you think space food would be like. How to cook spinach in space, Dessert in space or On the menu in space</p> <p>You can write it down or make a video clip.</p> <p>Share with your teacher.</p>
<p>Rockets</p> <p>Build your own rocket using the link below to help. You will need; paper, a straw, glue, scissors, tape.</p> <p>YouTube Make a Straw Rocket</p> <p>Share with your teacher.</p>	<p>Alien Movement</p> <p>Imagine you are an alien from another planet. Show us how it would move and what it would sound like. You could even make an outfit to show us what it would look like. Ask if someone can film you being the alien.</p> <p>Share with your teacher.</p>	<p>Solar System</p> <p>Learn the planets in our solar system by listening to this song, https://www.youtube.com/watch?time_continue=182&v=stnU6xfbjew&feature=emb_logo</p> <p>Can you learn the words and sing along?</p> <p>Share with your teacher.</p>	<p>Planets</p> <p>Explore what the planets look like using this link, https://theplanets.org/, and other websites or books. Pick your favourite and make it. You can draw/paint it, build a model or make it on your computer/tablet.</p> <p>Share with your teacher.</p>
